

Nature Walk and Natural Colour Making

A Nature Walk and Natural Colour Making activity was organised to help students connect with nature through art. Students observed various natural elements such as leaves, flowers, bark, and soil and explored their colours and textures. They also experimented with extracting colours from natural materials and used them creatively in artwork. The activity enhanced students' observation skills, creativity, environmental awareness, and understanding of sustainable art practices.

Vikshit Bharat Work Shop

A **Viksit Bharat Workshop** was organised at **PM SHRI Kendriya Vidyalaya Ottapalam** to enhance the creative skills, knowledge, and overall capacity of students. The workshop provided students with an opportunity to explore ideas related to a developed and self-reliant India through creative and activity-based learning. It encouraged students to express their thoughts, develop critical thinking, and contribute their creative perspectives towards the vision of **Viksit Bharat**.

Wall Painting on Tribal and Folk Art

A creative **wall painting activity** was undertaken by the students of **PM SHRI Kendriya Vidyalaya Ottapalam**, showcasing the rich heritage of Indian tribal and folk art. Students explored traditional art forms such as **Gond Art, Kalighat Painting, and Nathdwara Painting**, and translated their distinctive motifs, colours, and themes onto the school walls. The activity helped students develop artistic skills, teamwork, creativity, and an appreciation for India's diverse cultural traditions.
