

National Children's Science Congress (NCSC)

The National Children's Science Congress (NCSC) is a program that aims to cultivate scientific curiosity among children across the country.

The program encourages the use of scientific methods to explore and comprehend everyday problems related to their immediate surroundings.

Through hands-on experience and the scientific method, the NCSC inspires children to explore, innovate, and discover scientific concepts.

Focal Theme: -

"UNDERSTANDING ECOSYSTEM FOR HEALTH AND WELL-BEING." The sub-themes identified on the above cited Focal theme are:

- I. Know your ecosystem;
- II. Fostering health, nutrition and well-being;
- III. Social and cultural practices for ecosystem and health;
- IV. Ecosystem based approach (EBA) for self-reliance; and
- V. Technological innovation for ecosystem and health.

Participants (2023-24)

Sno	Group	Name	Class	DOB
1	Junior	ABHAY PRATAP RAIKWAR	VII	22-01-2011
	Junior	PRAKHAR JAIN	VII	10-01-2011
2	Senior	Mohd. Arman Qureshi	IX	10-08-2009
	Senior	Jay Tripathi	IX	21-11-2009
3	Senior	Sudhanshu Dwivedi	X	08-03-2008
	Senior	Ayush Kushwaha	X	14-11-2008

Science Exhibition

The following students of our Vidyalaya participated in RAJYA STARIYA BAL VAIGYANIK PRADARSHANI 2023-24 held at PM SHRI KENDRIYA VIDYALAYA NO.1 INDORE on 24/01/2024 on the theme- "Science and Technology" for the society.

NAME	CLASS
Master Kuldeep Ahirwar	XI
Master Aditya Sharma	XII
Master Jay Tripathi	IX
