FROM HEAD MASTER'S DESK

I extend my heartiest wishes on the publication of the school E-Newsletter. A newsletter is a platform extending valuable opportunities to young talents to express their creativity.

Our Kendriya Vidyalaya provides an amalgam of scholastic and co-scholastic activities for the students. We motivate and empower the students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society.

Once again, I commend the staff and students on this accomplishment and wish them happiness and a triumphant future. Here lies a humble hope that you will enjoy and appreciate it.
