PM SHRI KENDRIYA VIDYALAYA RATLAM

Holiday homework (Winter break)

Class – 4th Subject – The World Around Us

1. Spin a coin and an eraser on a table. Which one spins better? Write one observation.
2. Make a simple spinner using cardboard and a toothpick. What happens when the toothpick is not at the centre?
3. Put a leaf and an iron nail in water. Which one floats and which one sinks? Write your observation.
4. Take a piece of aluminium foil and put it in water first as a flat sheet and then as a tight ball. What change do you notice?
5. Tear old newspaper and soak it in water. What is the mixture called that is used to make recycled paper?
6. Make recycled paper and let it dry. How does it feel compared to a book page?
7. Colour recycled paper using turmeric or beetroot. What colour do you observe?
8. Write one way you can follow any one of the 5Rs (Refuse/Reduce/Reuse/Repurpose/Recycle) in daily life.

(Paste or draw pictures related to activity also)

WINTER BREAK HOLIDAY HOMEWORK:-
Class: IV
Subject: English
1. Reading Task (Comprehension + Thinking)
Read any one story from your English textbook or storybook.
Answer the following in complete sentences:-
⭐Name of the story
⭐Who is the main character?
⭐What problem did the character face?
⭐How was the problem solved?
⭐What did you learn from the story?

2. My Winter Holidays (Creative Writing)
Write a short paragraph (8–10 lines) on:
“How I Spent My Winter Holidays”
Use:
Capital letters correctly
Full stops
Neat handwriting

3. Logical Grammar Task
Fill in the blanks with is / am / are:
I ___ wearing a woollen cap.
We ___ enjoying winter holidays.
The sun ___ bright in the morning.
Birds ___ sitting on the tree.

4. Vocabulary Builder
Write any 5 winter-related words, then write one sentence for each.
Example:
Cold – Winter season is very cold.

5. Picture Description (Creativity)
Draw a winter scene (children in sweaters / fog / sun).
Write 5–6 sentences describing your picture.

PM SHRI Kendriya Vidyalaya Ratlam
Winter Break Holiday Homework
Session 2025-2026
Class-4 (Mathematics)

Topics: Time, Clock, Calendar, Symmetry, LCM (Least Common Multiple)

Fun Activities:
1. *Time and Clock:*
   - Draw and label the face of a clock.
   - Write the time for:
     - 3 o'clock
     - 8:30
     - 12:45
   - What time will it be in 2 hours if it's 9:00 AM now?
2. *Calendar:*
   - Draw a calendar for the month of January.
   - Mark the following dates:
     - Republic Day (26th January)
     - Your birthday (if in January)
   - How many days are there in January?
3. *Symmetry:*
   - Draw a symmetrical shape (e.g., a butterfly, a heart).
   - Complete the symmetrical pattern:

A | B | C | ? ----------

4. *LCM (Least Common Multiple):*
   - Find the LCM of:
     - 2 and 3
     - 4 and 5
   - Explain in your own words what LCM means.

Word Problems:
1. It's 10:00 AM now. If you have a 2-hour dance class, what time will it end?
2. Rohan has a birthday on 15th March. If today is 1st March, how many days are left until his birthday?

Project:
- Create a "Time and Calendar" chart with the following:
  - A clock showing 12:00
  - A calendar page for your birth month
  - A symmetrical design using shapes

Submission: Please submit your holiday homework on the first day of school after the holidays.

Holiday homework (Winter break)

Class – 5th Subject – The World Around Us

1. Observe your surroundings for one week and note any changes you see in plants, animals, weather, or human activities. Describe these changes and explain how they show that nature follows a rhythm.
2. Describe the steps of the torch and globe activity shown in the chapter 9 and explain, in your own words, why day and night occur on Earth.
3. Make a table showing changes in yourself, your school, and your surrounding area from Grade 3 to Grade 5. Describe any two major changes and explain whether they happened quickly or slowly.
4. Choose **one theme**—plant life, animals, water, air and heat, or human activities. Observe how this theme changes across different seasons and describe these changes as if you were explaining them on a classroom poster.
5. Pick **one season** you experience in your region. Describe how this season affects the food you eat, clothes you wear, festivals you celebrate, and nature around you. Explain why you think this season is important in our lives?

PM SHRI KENDRIYA VIDYALAYA RATLAM
