GO GREEN WIN TOGETHER

How can you participate?

1. Find e-waste at home with your parents.
2. Spread awareness among family members.
3. Contribute safely to the school collection drive.
4. Encourage friends to join.

Your contribution may be small, but its impact can be big!

Safety First!

- ✓ Collect e-waste with your parent's permission.
- ✓ Do not dismantle electronic devices or open batteries.
- ✓ Do not bring leaking, swollen or damaged lithium batteries / power banks.
- ✓ Keep collected items dry and separate.
- ✓ Never buy or damage electronic products just for participation.

Let's Make It a Family Activity!

Identify unused electronic items at home.

- ✓ Talk to your family about e-waste.
- ✓ Complete the activity sheet (link/format to be shared).
- ✓ Spread awareness in your neighbourhood.

E-Waste Challenge – Speak Up!

One-minute speeches / short videos on:

- Why recycle e-waste?
- What happens when e-waste is burned?
- Role of authorised recycler.
- How can we reduce unnecessary purchases?
