Important Instructions to Note:

1. Students must plan and prepare accordingly.
2. Divide your syllabus for structured revision.
3. Take care of your health. Drink lots of water.
4. Prepare a daily study schedule that includes time for each subject, regular breaks, and revision sessions. Stick to the timetable and ensure you cover all subjects in a balanced way.
5. Solve sample papers and previous year's question papers that gives you a clear understanding of the exam pattern and helps you practice time management. It's crucial to know the types of questions asked.
6. Better plan will help to achieve your targeted goals.
7. **ALL THE BEST FOR EXAMS AND DO YOUR BEST.**
