

Student Uddipta Das of PM SHRI Kendriya Vidyalaya Tezu has been selected for the National Level under the INSPIRE Awards – MANAK 2025-26 for his innovative project titled "Gyroscopic Kangri."

He received an amount of ₹10,000 under the scheme for the development of his innovative project/prototype. His selection at the national level is a proud achievement for the student and the school and reflects his creativity, scientific thinking and innovative approach.

The school congratulates Uddipta Das on this remarkable achievement and wishes him success at the National Level.
