

KENDRIYA VIDYALAYA IITCHENNAI

(IS/ISO 9001:2015 CERTIFIED)

NEWSLETTER 2023 - 2024

**Mr. R.N. SENDHIL KUMAR
PRINCIPAL KV IIT**

MESSAGE FROM THE PRINCIPAL'S DESK

“The purpose of bringing out this Newsletter is to share the memorable celebrations and events within a closet to enlighten others”.

Kendriya Vidyalaya IIT, Chennai provides all opportunities for the students to exhibit the innate talents to develop holistically.

“ Truly wonderful, the mind of a child is.”

Students are enriched with a lot of skills which needs to be tapped and nurtured in the right form for which the Vidyalaya is a comfort zone to showcase their hidden potential in the different styles.

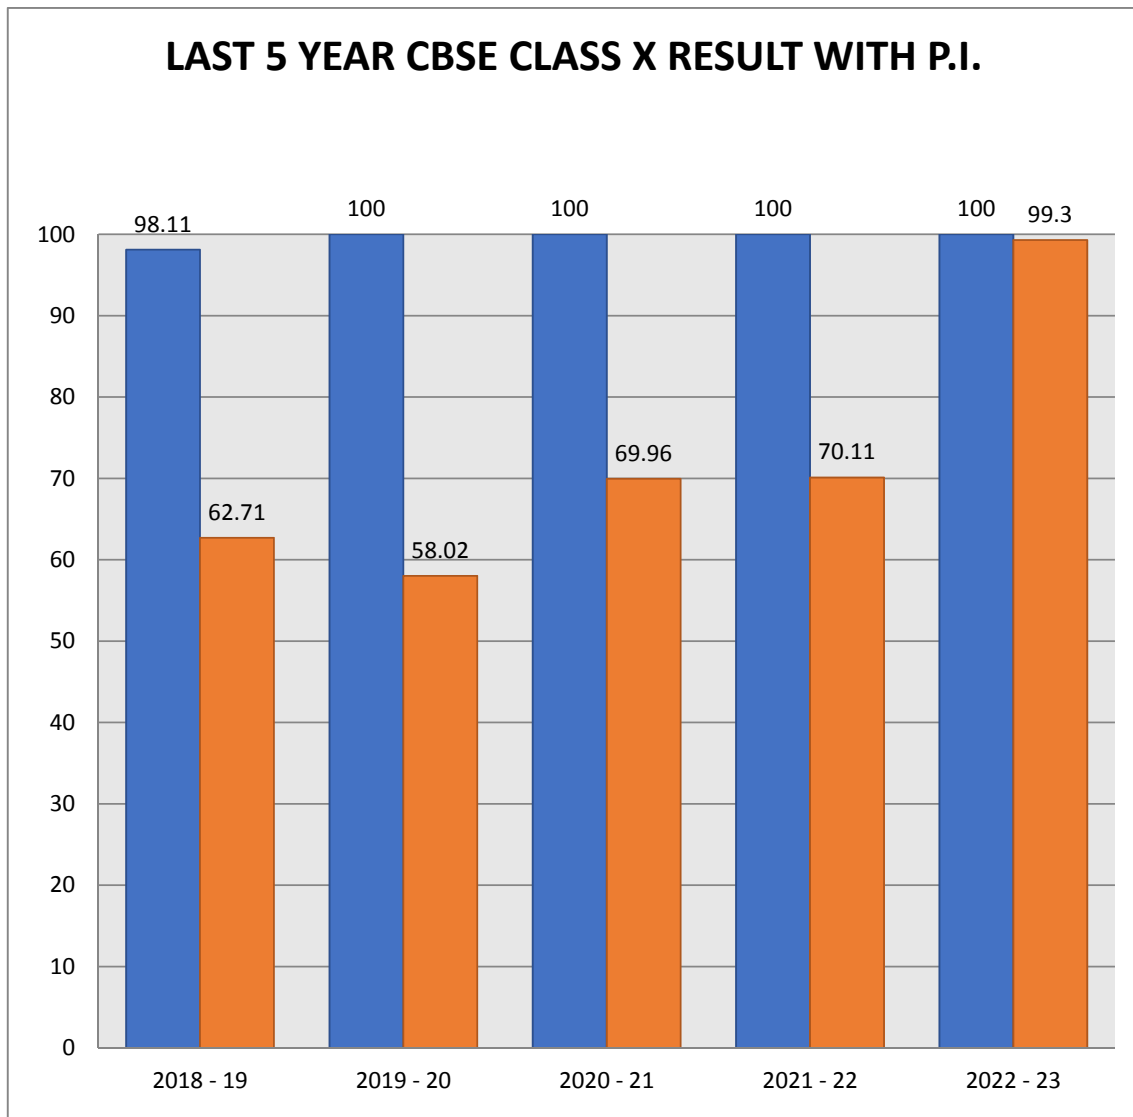

A good education system helps to nurture these abilities and help to overcome the shortcomings. Vidyalaya offers a healthy array of extra-curricular activities to develop their confidence and lead them to a successful arena.

Kendriya Vidyalaya is an unique organization which provides all the ingredients of education to lead a happy, successful and constructive life. Here the child is taught to think, imagine, dream and create of his own and find a place for himself in the abode of learning and a preparation after school life.

The Newsletter provides a glimpse of all the activities of the Vidyalaya in a nutshell to highlight the successful reach with all the support and guidance of its predecessors, stake holders, parents and students.

NEET (UG) 2023
We're proud of your incredible success

APPRECIATION

KV IIT'S KAUSTAV BAURI SECURES AIR 3 IN NEET (UG) 2023

Kaustav Bauri, who secured the All-India Rank 3 in NEET(UG) 2023, is a student of KV IIT Chennai since his Class I. Ever since his childhood, he has been always passionate about science and meritorious. He attributes his success to his parents -father, a Professor at IITM and mother, Human Resources Vice President with Accenture India, who were the driving force and pillars of support to his commendable achievement.

While sharing his experiences, he said that he was greatly elated at this success and had never dreamt of cracking the NEET in his first attempt while he was in his Class XI. Though he found it difficult to cope with the school curriculum and his preparation in the beginning, slowly he learned the nuances to achieve his goal. He feels that the encouragement and guidance from his teachers and the motivation from friends gave him the impulse to

perform better. When asked about his study plan, he shared that he focused on mastering his NCERT textbooks for Biology & Chemistry and understanding concepts in Physics, which is his all-time favourite subject. He ensured regular topic-wise practice and challenged himself with mock exams to equip himself for the big day. He also shared that he was a night owl and roughly prepared for four to five hours every day. Master Kaustav aims to get into the All-India Institute of Medical Sciences, New Delhi and specialize in Oncology in order to research more about Cancer that claims millions of lives.

Dr M Manickasamy, Principal along with staff members felicitated him on his incredible achievement on behalf of Kendriya Vidyalaya Sangathan and wished him all success for his future endeavours.
