

REPORT ON VISIT OF HON'BLE ASSISTANT COMMISSIONER - Mrs. Meena Joshi (KVS RO AHMEDABAD REGION)

Date: 07.05.2026

Venue: Vidyalaya Campus

Occasion: Interaction with Parents for Admission Campaign (Academic Session 2026–27)

On 07 May 2026, the Vidyalaya had the privilege of hosting Hon'ble Assistant Commissioner, Ms. Meena Joshi, Kendriya Vidyalaya Sangathan (KVS), Regional Office Ahmedabad. The visit was primarily organized to interact with parents and to encourage greater participation and registration for admissions in various classes for the academic session 2026–27.

Interaction with Parents

A large number of parents attended the interactive session. The Hon'ble Assistant Commissioner addressed the gathering and highlighted the importance of quality education being provided in Kendriya Vidyalayas, along with the admission procedures and opportunities available for students.

An open Question–Answer session was conducted, during which parents actively participated and raised several queries related to admission criteria, seat availability, documentation, and academic facilities. All the queries were satisfactorily addressed by the Hon'ble Madam in a clear and informative manner.

Visit of Vidyalaya

Following the interaction session, Parents along with Hon'ble Assistant Commissioner, Principal and Students visited various sections of the Vidyalaya campus and observed the infrastructure, classrooms, Primary Resource room, library and other facilities, and appreciated the efforts of the school in maintaining academic and co-curricular standards.

Feedback

At the end of the programme, feedback was collected from both parents and students. The participants expressed satisfaction with the interaction session and appreciated the clarity and guidance provided by the Hon'ble Assistant Commissioner. Parents particularly appreciated the transparency in the admission process and the supportive environment of the Vidyalaya.

Conclusion:

The visit of Hon'ble Assistant Commissioner, Ms. Meena Joshi, proved to be highly beneficial and motivational. It helped strengthen parent–school interaction and is expected to positively contribute to increased admissions for the academic session 2026–27.
