Compensation of Academic Loss Programme (CALP)

While teaching learning process involves completion of syllabus as prescribed in the curriculum according to given timelines, it is equally crucial to ensure and examine output of learning in students for which our school follows a standard procedure under Compensation of Academic Loss Programme. For class X specifically, the school conducts extra classes for all subjects to enable students to strengthen their learning and clarify subject related queries. These extra classes provide the students with an optimum opportunity to compensate for any learning deficit that they may have experienced.
