SWACHHATA AWARENESS MESSAGE

"Mahatma Gandhi never compromised on cleanliness. He gave us freedom. We should give him a clean India." - Narendra Modi

Cleanliness plays a vital role in our daily lives. A healthy body is essential for a healthy mind to reside. This can be achieved by teaching children to practise the ethics of hygiene and immaculateness at a very early stage.

Swachhata Pakhwada or Swachhata Awareness Day was observed in the premises of PM SHRI Kendriya Vidyalaya No. 1 AFS Halwara with the aim to highlight the importance of cleanliness and sanitation among the students and teachers. The objective was to encourage and inspire them to practise good hygiene in the school as well as their surroundings.

Meetings and workshops were conducted in the school to drum in the importance of cleanliness and good hygiene in the minds of children. Students were encouraged to wash their hands thoroughly and wear masks even outside the school, when they fall sick. Several competitions such as essay writing, poem recitation, slogan writing, etc. were conducted to highlight the importance of clean surroundings.

The school observes water and sanitary facilities on a regular basis. The staff and students are advised to refrain from using single-use plastic. Moreover, it is ensured that no obsolete and unnecessary items and equipment are used in the school.
