उद्यानम्

MATHEMATICS

Topic: Fractions

GENERAL INSTRUCTIONS

1. Complete all five activities neatly in a separate Mathematics activity notebook.
2. Write the title, materials, procedure, and calculations (where applicable) for each activity.
3. Use colours, drawings, and real-life examples wherever suitable.
4. Do the work independently.
5. Submit the completed work on the first day after the autumn break.

ACTIVITIES

Activity 1: Fraction Pizza

Materials: Coloured paper, scissors, pencil.

1. Make a paper pizza and divide it into 8 equal parts.
2. Colour 3 parts red and 2 parts yellow.
3. Write the fractions representing each colour and the uncoloured portion.

Activity 2: Make a Fraction Wall

Materials: Paper strips, ruler, crayons.

1. Make strips representing halves, thirds, fourths, fifths, and sixths.
2. Divide each strip into equal parts and colour the parts.
3. Compare the fractions and identify two pairs of equivalent fractions.

Activity 3: Fractions in My Daily Life

Materials: Pencil and colours.

1. Observe a chapati, sandwich, or fruit cut into equal parts.
2. Draw any 3 examples showing fractions such as $\frac{1}{2}$, $\frac{1}{4}$, and $\frac{3}{4}$.
3. Write one sentence about each example.

Activity 4: Fraction Number Line

Materials: Ruler and pencil.

1. Draw a number line from 0 to 1.
2. Divide it into 8 equal parts and mark $\frac{1}{8}$, $\frac{2}{8}$, $\frac{4}{8}$, $\frac{6}{8}$, and $\frac{7}{8}$.
3. Identify the greatest and the smallest fraction among those marked.

Activity 5: Fraction Matching Game

Materials: Paper or card, scissors, colours.

1. Make 10 cards with fractions and their pictorial representations.
2. Match each fraction to its correct picture.
3. Include at least 5 different fractions and write the numerator and denominator of each.

SCIENCE

Reading Challenge – Level 2 Read each page and also do activities in the Reading Challenge

Creative Writing – Story Writing Write an original story on one A4 sheet.

Instructions:

Give your story a suitable title.

Highlight the different parts of speech using the following colour code.

Nouns – Blue

Pronouns – Red

Verbs – Green

Adjectives – Yellow

Adverbs – Orange

Prepositions – Pink

Conjunctions – Purple

Interjections – Brown

SOCIAL

Landforms and Life

Students are instructed to prepare a scrapbook on different landforms. Paste pictures of mountains, plateaus, plains, valleys, and other landforms. Write a few details about each landform, including its characteristics, location, and the lifestyle and occupations of the people living there.

General Instructions:

Use a scrapbook and complete the work neatly and creatively.

Give a suitable heading for each picture.

Write the relevant details in your own words.

Submit the completed scrapbook after the holidays.

ART

Take a print out of your Mother/Father or Famous Personality's photo and draw & shade a portrait...
