Message by the Principal

It is a delight to present our newsletter under NIPUN, preserving memories that inspire us. The National Initiative for Proficiency in Reading with Understanding and Numeracy in KVS has transformed the teaching-learning process, empowering teachers and enriching children through well-planned activities. With students at the heart of every effort, may these budding stars shine with success and a bright future.

Message by the Headmaster

We at PM Shri kendriya vidyalaya no.1 ensure high-quality education that motivates students to be lifelong learners and productive members of society. We believe education is about creating inquisitive, self-motivated, and enthusiastic learners.

We provide a platform for students to explore their interests and talents through academic and co-curricular activities.

Thanks to all who contributed to this newsletter.
