

INNOVATION

PM SHRI: Revolutionizing Education at Our School

We are thrilled to share the transformative impact of the PM SHRI scheme on our school community. By providing innovative resources and materials, PM SHRI has enabled us to create a vibrant and engaging learning environment that fosters the overall development of our students.

Activities and Initiatives:

- Science Kits and Math Kits: Hands-on learning materials have made STEM education exciting and interactive, encouraging curiosity and exploration.
- Circle and Toy Library: The toy library, stocked with educational toys and games, has become a hub of recreational learning, promoting social skills and creativity. The addition of Almirahs has helped us organize and store the toys, making them easily accessible to our students.
- Puzzles and Modules: Interactive materials have developed critical thinking and problem-solving skills, building confidence and analytical minds.
- Activity-Based Learning: Experiential learning materials have transformed the way our students learn, making education fun and engaging.
- FLN Activity: Foundational Literacy and Numeracy skills have improved significantly, laying a strong foundation for future academic success.
- Holistic Development Report Cards: Students' social-emotional growth, values, and life skills are now tracked and nurtured.

Impact:

- Enhanced student engagement and motivation
- Improved academic performance and retention
- Developed critical thinking, creativity, and problem-solving skills
- Fostered social skills, empathy, and teamwork
- Strengthened teacher-student relationships
- Created a vibrant and inclusive learning environment

Parent Testimonials:

- "The toy library is my favourite place. I've made new friends and learned new games!" – Bal Vatika
- "I'm grateful for the FLN activity. It's helped me improve my reading and math skills." Class 5

Conclusion:

PM SHRI has been a game-changer for our school, empowering us to provide a comprehensive and engaging education. We are grateful for the resources and support, and we look forward to continued growth and development.
