AUTUMN BREAK HOLIDAY HOMEWORK

CLASS: III

SUBJECT: TWAU

COMPLETE ONLY FOUR ACTIVITIES OUT OF THE SIX GIVEN BELOW.

01 Leaf Collection

Collect **five different leaves**. Paste them in your notebook and write their names, shapes and uses.

02 Save Water Poster – Water, a Precious Gift

Make an A4 poster on “**How to Save Water at Home**” with drawings and at least three short slogans.

03 Our Festivals

Choose one festival celebrated in your community. Draw or paste related pictures and write **4–5 sentences** about how it is celebrated.

04 Best Out of Waste

Make a useful item such as a pen stand, flower pot or toy using waste materials. Write **3–4 steps** explaining how you made it.

05 My Water Usage Diary – Water, a Precious Gift

Observe how your family uses water for **three days**. Make a simple table with the headings **Activity, Water Used For, and How I Can Save Water**. Write at least four daily activities.

06 Rainwater Harvesting Model – Water, a Precious Gift

Create a **simple model of rainwater harvesting** using recycled materials (a small house roof, straw/pipe and collection container). Label the parts and write two sentences explaining how rainwater can be collected and reused.

General Instructions: Complete the work neatly in your notebook or on A4 sheets as required. Use recycled materials wherever possible. Children should complete the activities themselves with parental guidance.
