SHRI. AJAY S. CHAUKIKAR

Principal, KENDRIYA VIDYALAYA CRPF MUDKHED

It is very well said," If you have the words, there's always a chance that you'll find a way." This present endeavour in the form of NIPUN NEWSLETTER just proves that our vibrant kids are overflowing with words and art. I feel elated at the efforts and creativity that has been put in by our students of our classes. I congratulate them for expressing themselves honestly. I wish them to come out with more flying colours in the subsequent issues of NEWSLETTERS.

I would also like to congratulate the team of erudite teachers who persevered and inspired students to think original without loosing the natural. I indeed believe that, "It is the supreme art of the teacher to awaken joy in creative expression and knowledge." With a team of such exuberant teachers, we can always hope for miracles to happen. But this miracle is not wrought out overnight. It is the reflection of never failing efforts, ever aspiring motivation, optimistic approach and farsightedness of our teachers.

I should not to mention the contribution of the team leader who is a paradigm of 3 Ps- Performance, Perseverance and Profundity. I congratulate Headmaster for grooming, polishing and interweaving all the jewels in a string of ingenuity.

I feel that the Newsletter team has done wonderful work and at thought of giving my congratulatory message of this occasion.

May you flourish in leaps and bounds!

Mr. Vivek Kaushik

Mrs. Sushma Singh

Mr. Sambhaji Wakhare

Editor's Message

"CHAMPIONS ARE NOT BORN THEY ARE MADE."

EDUCATION ENABLES THE LEARNERS TO BE MORE ADAPTIVE, ACCOMMODATIVE AND SUSTAINABLE IN ALL PRACTICAL SITUATIONS BESIDES BEING CREATIVE AND INNOVATIVE. THE PRIORITY IS TO PROVIDE SAFE AND HEALTHY ENVIRONMENT FOR SOCIAL, MENTAL, EMOTIONAL AND SPIRITUAL INTELLIGENCE. THE VIDYALAYA FOCUSES TO ENABLE THE STUDENTS TO ACHIEVE EXCELLENCE NOT ONLY IN SCHOLASTIC BUT ALSO IN CO-SCHOLASTIC ENDEAVORS AND TO PROVIDE THE PLATFORM TO BE CONFIDENT INDIVIDUALS. NEWS LETTER IS A GLIMPSE OF THE ACTIVITIES AND CREATIVE ENDEAVORS OF OUR STUDENTS IN VARIOUS FIELDS.

Activities like play, art, and simple experiments build curiosity and confidence. Children develop fine motor skills through drawing, clay work, and puzzles. Group activities encourage social skills and teamwork. Overall, hands-on learning makes education joyful and meaningful for young learners.

Independence Day Celebration

Independence Day was celebrated with great patriotism and enthusiasm. Students presented cultural programmers highlighting India's freedom struggle and unity. The celebration instilled a sense of national pride and respect for the nation.

Ganesh Chaturthi was celebrated to promote cultural values and traditions. Students learned about the significance of Lord Ganesha through stories and activities. The celebration fostered devotion, creativity, and togetherness.

Reading Week

During the Promotion of Reading Week, students actively participated in mass reading sessions. Various reading activities helped improve their vocabulary and comprehension skills. Students explored different books, fostering a love for reading. The activities encouraged focus, imagination, and critical thinking.

The Cyber Security Workshop created awareness about safe and responsible use of digital platforms. Students learned about online safety, cyber threats, and digital etiquette. The session empowered them to be smart and secure digital citizens.

Eco Club

Under the Eco Club, a plantation drive titled “Ek Ped Maa Ke Naam 2.0” was organized. Students planted saplings to express gratitude and care for nature. The drive promoted environmental awareness and responsibility. Students learned the importance of trees for a healthy ecosystem. The activity inspired everyone to protect and nurture the environment.

Gandhi Jayanti - SWACHATA PAKHWADA

Gandhi Jayanti was observed to honor Mahatma Gandhi's ideals of truth and non-violence. Activities like cleanliness drives, poster making, and plantation were conducted. Students learned the importance of values and social responsibility.

Medical check up

A medical check-up was conducted in the school to ensure students' health and well-being. Doctors examined students for general health, vision, and hygiene. Students learned the importance of regular health check-ups. Health tips were shared for maintaining a healthy lifestyle. The initiative helped promote awareness and preventive care among students.

Adolescent education program
Expert talk

An Adolescent Education Program was conducted to support students' overall development. The session focused on physical, emotional, and social changes during adolescence. Students were guided on healthy habits and positive behaviour. Open discussions helped clear doubts and build confidence. The program promoted awareness and responsible decision-making among adolescents.

AI - Mela

AI Mela was organized to introduce students to the world of artificial intelligence. A hackathon was conducted where students actively participated in problem-solving. Students learned basic coding skills and logical thinking. Teamwork and innovation were encouraged through hands-on activities. The event inspired students to explore technology and future careers in AI

SCIENCE PROJECT EXHIBITION

A science exhibition was organized to showcase students' creativity and innovation. Students displayed various working and non-working science models. The exhibition encouraged scientific thinking and curiosity. Students confidently explained their projects to visitors. The event made learning science practical, interactive, and enjoyable.

Little Champs Sports Meet

The Little Champs Sports Meet was filled with energy and excitement. Students participated in fun races and traditional games. The event promoted fitness, teamwork, sportsmanship, and confidence.

The Cubs and Bulbuls Meet

The Cubs and Bulbuls Meet focused on discipline, teamwork, and good habits. Students participated enthusiastically in drills and group activities. The program helped inculcate leadership and social skills.

CONSTITUTION DAY

Constitution Day was observed to create awareness about the values and importance of the Indian Constitution. Students were introduced to ideas of justice, equality, and freedom in a simple and meaningful way. The Preamble was read and explained to help children understand their rights and duties. Various activities like discussions and drawings made the learning interesting. The celebration helped students develop respect for the Constitution.

Foundation Day

Foundation Day was celebrated to commemorate the establishment of our school. The day helped students understand the school's history, values, and vision. Special assemblies and activities were organised to mark the occasion. Students participated with enthusiasm and pride. The celebration encouraged respect for the institution and a sense of belonging among children.

EXCURSION

The educational excursion provided experiential learning beyond the classroom. Students explored new environments and gained practical knowledge. The trip enhanced curiosity, observation skills, and teamwork.

EXCURSION

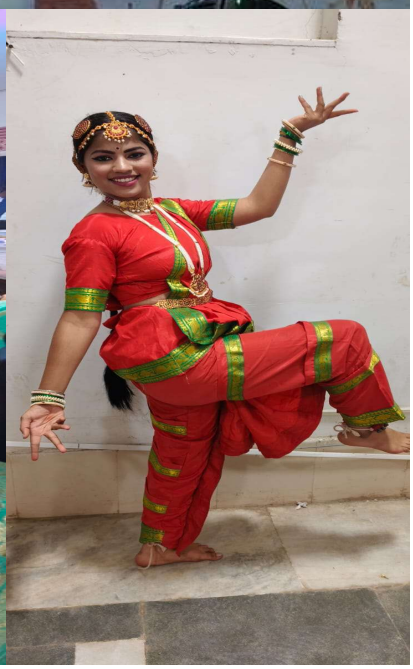

ANNUAL DAY

The Annual Day was celebrated with great enthusiasm and joy in the school. Students showcased their talents through colourful dances, songs, and skits. The programme reflected confidence, creativity, and teamwork among children. Teachers and parents appreciated the efforts of the students. The celebration provided a platform for young learners to express themselves. The Annual Day celebration created beautiful memories for everyone present.

CARRIER GUIDANCE

A Career and Guidance program was organized to motivate students about future career choices. Career counselling sessions were conducted with the involvement of parents. Students were guided to understand their interests and strengths. Assessment tests were conducted to help identify suitable career paths. The program provided proper orientation and clarity for students' career planning.
