

REPORT ON E-WASTE AWARENESS SKIT

Swachhata Pakhwada – 2026

Date: 29 September 2026

Venue: PM SHRI Kendriya Vidyalaya Panagarh

Activity: Awareness Skit on E-Waste Disposal

Theme: “Responsible E-Waste Disposal for a Clean and Healthy Environment”

As part of the **Swachhata Pakhwada 2026** celebrations, **PM SHRI Kendriya Vidyalaya Panagarh** organised an awareness skit on **E-Waste Disposal** on **29 September 2026**.

The skit was presented by the students to create awareness about the increasing problem of electronic waste and the importance of its proper disposal. Through simple dialogues and an engaging presentation, the students explained **what e-waste is, its harmful effects on the environment, and the need to dispose of electronic waste responsibly.**

The students highlighted the importance of the **3Rs – Reduce, Reuse and Recycle** and encouraged everyone not to throw electronic items such as old mobile phones, chargers, batteries, computers and other electronic equipment in regular dustbins. The skit also conveyed the message that e-waste should be handed over to **authorised e-waste collection/recycling centres** for safe disposal.

The activity successfully conveyed an important environmental message and encouraged students and staff to adopt **responsible e-waste management practices.**

Key Message:

“Reduce e-waste, Reuse what you can, Recycle responsibly and keep our environment clean.”

The activity was conducted successfully as part of the **Swachhata Pakhwada 2026** awareness programme of the Vidyalaya.

THANK YOU
