

Report on Swachhata Awareness Campaign

Date: 22 September 2026

Venue: School Colony

A Swachhata Awareness Campaign was organized in the School Colony on 22 September 2026 to promote cleanliness and hygiene among the residents. The campaign focused on creating awareness about keeping the surroundings clean, proper disposal of waste, and maintaining personal and community hygiene.

Students and staff actively participated in the campaign and encouraged residents to adopt clean and healthy practices. The activity helped in spreading the message of "Cleanliness is Everyone's Responsibility" and promoting a sense of responsibility towards a clean and hygienic environment.

The campaign was successfully conducted with active participation and enthusiasm
