Parts Of My Body

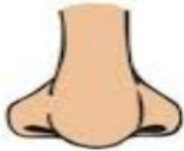

I can see with
two eyes

I can hear with
two ears

one little nose to
breathe and smell

And a mouth for
eating as well,

Two little feet to
walk around

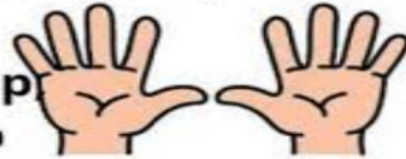

Ten little toes to
creep without sound,

Two little hands
for me to clap

Ten little fingers to
snap, snap, snap.

All Of Me

My hands are for clapping

My arms can hug tight

My fingers can snap

Or can turn on the light

My legs are for jumping

My eyes help me see

This is my body,

And I love all of me!

The Lion and the Cows

Copyright©Isamaj.com

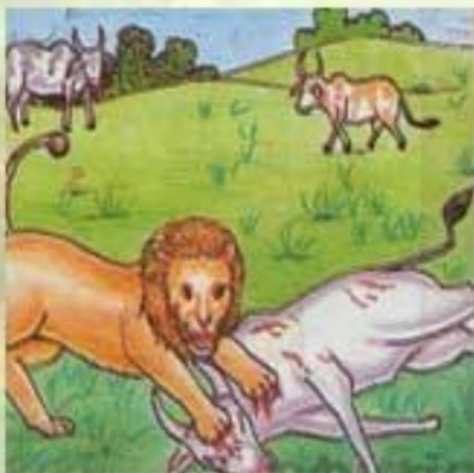

Once upon a time there lived four cows in the forest. Everyday they used to graze together in a particular spot. They were all friends. One day a lion saw the cows grazing together.

The lion wanted to eat them so he went to catch them. When the cows saw the lion, all of them fought with him. The lion had to run away

A few day passed and the cow quarreled between themselves and started grazing separately. One by one the lion killed all of them.

Visiting the Farm

Last week, I visited a farm. I saw some animals there, like goats and cows.

The goats were playful and climbed on rocks. They had soft fur and long horns. Some of them even nibbled on grass!

The cows were big and friendly. They mooed softly as they grazed in the fields. I saw them being milked by the farmers.
