Subject: Request for inspection and issuance of Structural Safety Certificate of the Vidyalaya

Sir,

In reference to the subject cited above it is submitted that the School Building is being regularly used by the Students and staff, and structural safety of the building is of utmost importance for ensuring a safe environment for all concerned

You are therefore, requested to arrange for a detailed inspection of the Vidyalaya building and associated structures by the competent technical authority / engineer and furnish a structural safety certificate confirming the structural stability and safety of the Buildings. A detailed estimate in this regard may also be furnished at the earliest for further action at our end.

The matter may kindly be accorded priority in the interest of safety and security of the students, staff and the Government property.

Thanking you,

Yours sincerely,
