It gives us immense pleasure to share with you the first newsletter for the first quarter. Teaching is about nurturing young minds. Our vision is to educate, enlighten & empower our blooming buds. The pillar of primary education is 'LEARNING WITH FUN AND PLAY'. The newsletter showcases the glimpses of all the activities conducted under NIPUN . Approach & opportunities to learn helps children to learn & explore more. These approaches of active, integrated learning, joyful activity based learning through experience helps the students to develop life skills and also different abilities in them.

FROM EDITOR'S DESK

It gives me immense pleasure to express that C.M.P newsletter of academic session 2026-2027 (April to June) is in access. It explores the inherent talent of the blooming dales.

Today in this world of hue and cry, if you want real peace and happiness in your life, then don't go anywhere. You have to do nothing new and exclusive. The ultimate way to be happy is hidden in yourself. Don't leave any opportunity ensure your participation in every competition and celebration. It will pave path for your bright future.

I take this opportunity to extend my heartfelt thanks to Principal sir, teachers and the students whose successful efforts and contribution proved handy in making the creative endeavor successful.
