ATL

The most anticipated ATL inauguration programme was held on 28t Feb, 2022 on the Science day by Dr. M Beena I A S, Chairperson CPT, in the august presence of Dr. Prabhakaran P M, Principal K V Port Trust and other dignitaries. Some models made by our students were demonstrated to the guests and teachers who visited the lab on the day. A series of workshops have been conducted for Teachers and students.

Atal Innovation Mission in collaboration with intel has organized the Building Artificial Intelligence Readiness Hackathon for students who have innovative AI led ideas or are working on AI based projects. Master Tejaswaroop of XA has been selected for this ATL hackathon. Devabala of XC , Goutham Krishna X B and Tejaswaroop of XA participated in ATL Marathon. Children from VI to XII will participate in ATL summer boot camp.
