

A report on Green Olympiad 2024

The Energy & Resources Institute (TERI) announced the commencement of the **GREEN Olympiad 2024**, an annual examination (MCQ) that aims to engage students in learning about our environment, fostering a sense of stewardship, and promoting eco-consciousness. This initiative is organised with endorsement from the Ministry of Environment, Forest and Climate Change and the Ministry of Education, Government of India.

The programme aims to test the knowledge levels of school students about environmental and susThe importance of Olympiad is articulated in the National Education Policy (NEP) 2020, as a medium to minimize rote learning and encourage holistic development around 21st century skills. The programme also draws its linkages to 'Goal 4 - Target 7 (SDG4.7).sustainable developent issues.

Details of GREEN Olympiad:

- **Date:** The Green Olympiad was conducted on 22 October 2024.
- **Venue:** The examination will be conducted **offline**, within the confines of school premises.
- **Eligibility:** All students from classes **4 to 12** are eligible to participate.
- **Languages:** The examination was organised in English, Hindi, Marathi, Kannada, Oriya, and Assamese
- **Preparatory Material:** TERI has thoughtfully curated a Resource Booklet, containing model question papers, to aid students in their preparation. These papers align closely with the school syllabus, ensuring a comprehensive understanding of environmental concepts.

A total number of 110 students registration form was sent to TERI, NewDelhi. Our vidyalaya has opted for 22nd October 2024 as the date for the conduct of Green Olympiad 2024. The Olympiad was conducted smoothly on 22nd October and results are awaited.
