

Report on the Conduct of Bagless Day Programme

, The Bagless Programme was successfully conducted on 10th, 11th, 17th, 18th, and 20th February 2026. The programme was organized with the objective of providing students with experiential learning opportunities through creative, artistic, and life-skill-based activities beyond the regular classroom curriculum. A total of 472 students from Classes VI to VIII participated enthusiastically in the programme, which encouraged active learning, creativity, collaboration, and the development of practical skills

Students of Class VI (159) participated in activities such as Origami, Paper Crafts, Pen Stand Making using Paper Sticks, and Wall Painting, which helped enhance their creativity, fine motor skills, and teamwork. Class VII students (158) were engaged in Basket Making with Paper, Envelope Making, and Wall Painting, promoting creativity, problem-solving abilities, and environmental awareness through the use of recyclable materials.

Meanwhile, 155 students of Class VIII participated in Tie and Dye using White Cloth and Colours and Art Painting on Walls, providing

them with opportunities to develop artistic expression, practical skills, confidence, and collaborative learning.

The Bagless Programme was conducted successfully with active participation from students and the dedicated support of teachers.

The hands-on activities created an enjoyable and meaningful learning environment that complemented classroom education while fostering creativity, communication, teamwork, and life skills. The programme achieved its objective of making learning more engaging, practical, and skill-oriented, leaving students motivated and enriched through experiential learning.
