PM SHRI KV NO.3, PORT TRUST KOCHI

PM SHRI ACTIVITIES 2026-2027

A comprehensive overview of our progress, initiatives, and impact for the academic year.

PM SHRI SELFIE POINT

Preserving Heritage: Warli Art Workshop

A three-day workshop on Warli art was conducted for students from classes 8th and 9th. This initiative aimed to raise awareness about India's rich heritage and traditional art forms, specifically focusing on the Warli tribe's unique expressions.

- Students gained knowledge about the Warli tribe's life, occupations, and religious rituals.
- The workshop explored how the tribe visualizes social, economic, and religious aspects through Warli forms.
- This cultural immersion promotes artistic appreciation and understanding of diverse Indian traditions.

HYDROPHONICS

Objective: The primary aim of this initiative was to inculcate in students the values and importance of farming, composting, self-reliance, physical activity, and an appreciation for learning from nature and life itself.

Impact:

Students of classes 6-9 were very much liked it. They enjoyed and learned a lot from this practice.

By engaging directly in these activities, students developed practical skills, a sense of responsibility, and a deeper understanding of sustainable living. The initiative also helped nurture their interest in agriculture and environmental stewardship, fostering holistic development beyond the classroom. Students developed more interest towards farming, few students tried it in their home, production of fruits and the plants growth all this gives immense happiness and encouragement to students.

THOLPAVAKOOTH

On February 20, 2025, we hosted a Tholpavakoothu Show and Workshop, introducing students to this traditional shadow puppetry art form from Kerala.

- Students learned about the history, techniques, and cultural significance of Tholpavakoothu.
- The interactive session provided a unique opportunity to engage with a vital part of India's performing arts heritage

FIELD TRIP & EXPOSURE VISIT

Purpose of the Field Trip & Exposure Visit

The field trip aimed to provide students with an outdoor learning experience, enhance their social skills through group activities, and promote physical fitness through various play activities.

ROBOTICS TRAINING

A hands-on session on Arduino Robotic DIY kits was conducted in the ATAL Lab on 14th November 2024. The programme was organised as part of Mentoring by Eminent Experts (National) under Rashtriya Avishkar Abhiyan. The session aimed to introduce students to the fundamentals of robotics and programming using Arduino, fostering an interest in STEM fields and enhancing problem-solving skills through practical experience.

SELF DEFENCE TRAINING

As part of PM Shri initiative, Self Defence Training Program is being conducted at PM Shri K V Port Trust for a period of three months from November to January. It's conducted as a one hour session in the morning from 7.50am to 8.50am. It's a thirty hour session which will be conducted in ten sessions each month from November to January 20 24-25. The training is being conducted by BODHIDHARMA Martial Arts and Yoga Centre. Students from classes VI to IX & XI are participating in the program. The aim of the program is to empower girl children with knowledge and skills necessary to protect themselves and others in potentially threatening situations and to improve their self confidence.

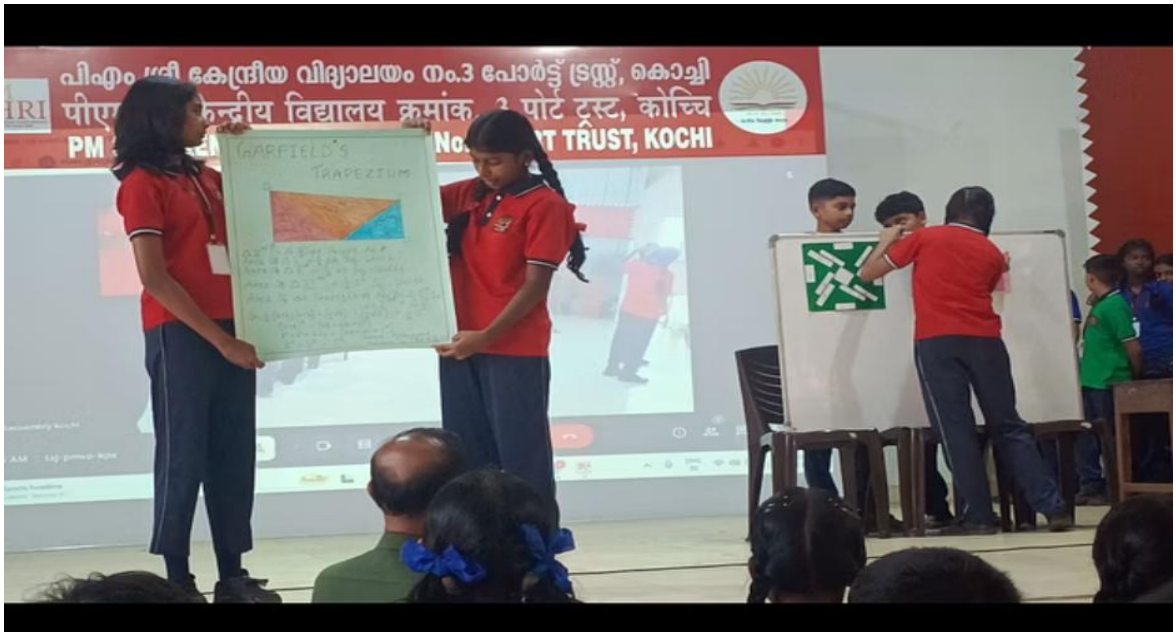

Interactive Learning: Maths Kit Demonstrations

Our students engaged in practical mathematics demonstrations during morning assemblies, transforming abstract concepts into tangible experiences using specialized maths kits.

These hands-on sessions foster deeper understanding and critical thinking in mathematics.

Science in Action: Kit Demonstrations

Through engaging science kit demonstrations during morning assemblies, students explored fundamental scientific principles, sparking curiosity and fostering a spirit of inquiry.

These practical sessions make scientific concepts more accessible and exciting for young learners.

Celebrating Young Minds: Children's Day Festivities

Children's Day was celebrated with vibrant activities, fostering joy and creativity among our students. The day was filled with performances, games, and cultural programs, highlighting the importance of every child's unique potential.

Teaching Learning Material (I-V)

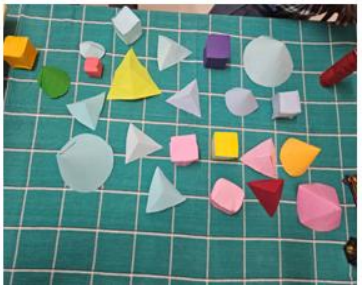

Teaching Learning Material (I-V)

Art of puppet-making

- 14th December 2024, a Puppet Making Workshop was organized at Kendriya Vidyalaya No. 3, Port Trust School, Kochi, Kerala, for students of Classes 4 and 5.
- The workshop, conducted by Mrs. Jayanthi, TGT Work Education, was held under the PM SHRI TLM initiative.
- The session aimed to foster creativity and hands-on learning among young students. Mrs. Jayanthi introduced the art of puppet-making by explaining its cultural and educational importance, followed by a demonstration using materials like paper, glue, and colours.
- Students actively participated by creating their own puppets and exploring their creativity through themes such superheroes, and traditional designs.

Cubs and Bulbuls visited Mattancherry Palace

- On 1st February 2025, Cubs and Bulbuls visited Mattancherry Palace.
- The purpose of the visit was to help students understand Kerala's cultural heritage and the changes over the years.
