Action Plan for Better Result in 2024-25

ACTION PLAN

1. Subject teachers will conduct chapter-wise slip tests across all subjects, aligning with the board exam pattern.
2. Regular monitoring of the performance of students in these formative assessments.
3. Individual attention will be given to the students and reduce their weakness found in the slip tests.
4. Regular communication with parents regarding their child's academic progress will be prioritized.
5. Extra classes will be provided for students needing additional support.
6. Proper practice of selective topics which are important in the upcoming board exam.
7. Ensuring regular attendance of the students and reporting to the Parents if there's is an irregularity.
8. Motivating rest of the students for getting good marks by recognising the students, who performed excellent in the slip/monthly/periodic/pre board exams, during the morning assembly, pasting the photos of toppers in their classroom as well as common notice board of the vidyalaya.
9. Students will be encouraged to set personal targets for the board exams and begin preparation accordingly.
10. We will focus on practicing the last five years' board question papers thoroughly to better prepare for the exams.
