

Funday Activities

Every Saturday is Funday for children. There are four blocks in Funday. Each block has two periods. In the first block, Awakened citizens program take place. In the second blocks Nipin Bharat targets are achieved by doing different activities. Children enjoy activities and learning by doing take place. In third block, Art and craft work is done and special days are celebrated. In the fourth block DIY activities are done. Art integrated activities are done in this block in DIY Book.

Reading buddies from class fifth also help the students on the Funday.
