PM SHRI KENDRIYA VIDYALAYA CHATRA

E-WASTE COLLECTION DRIVE AND QUIZ COMPETITION

Date: 28 October 2026

PM SHRI Kendriya Vidyalaya Chatra will organise an E-Waste Collection Drive on 28 October 2026 to create awareness among students about the safe and responsible management of electronic waste. Students will be encouraged to contribute suitable discarded electronic items, such as old cables, chargers and computer accessories, for responsible handling and recycling through authorised channels.

An E-Waste Awareness Quiz Competition will also be conducted on the same day to enhance students' understanding of the harmful effects of e-waste, its impact on the environment and the importance of reuse, recycling and safe disposal. These activities aim to develop environmental responsibility among students and motivate them to spread awareness in their families and communities.

The programme reflects the Vidyalaya's commitment to environmental conservation and the promotion of sustainable practices.
