

# PM SHRI KENDRIYA VIDYALAYA PITAMPURA (FIRST SHIFT)

## REPORT

# **Digital Initiatives taken by KVs for achievement of Los and competency-Based Assessment**

## ***21st CENTURY SKILLS***

To succeed in this rapidly changing world student need to develop a set of 21<sup>st</sup> Century Skills, these are critical thinking, communication, problem solving, collaboration & creativity.

The prime focus of NEP 2020 is to develop these skills in students. Under PM SHRI students were trained to think critically by participating in various inventive & innovative activities such as assembling of drones & other creative activities.

## ***Interactive board & Desktop Computers***

To enhance interactive learning experience and to provide audio- visual exposure to the students, the effective use of ICT digital classrooms have been provided under PMSHRI scheme.

Teachers are effectively using interactive board. This makes learning more exciting & easier to understand the learning through visuals along with audio.
