PRINCIPAL, KV SARAIKELA

Kendriya Vidyalaya Saraikele Kharsawan has conducted many activities under foundational literacy and numeracy. Here are some glimpses of these activities which are practiced in our daily classroom situation to strengthen the oral skill, reading skill, writing skill and the numeracy.

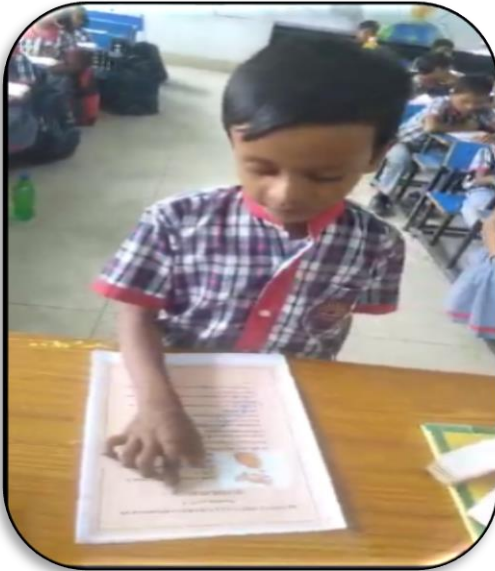

Our teachers are followed all the new teaching learning method like- play-based method, toy-based method, art integrated method, experiential learning to engage the students actively.

Our patrons guide us how to conduct the FLN activity successfully by different trainings, workshop to evoke the teachers, parents and other stakeholders.
