सन्देश

अत्यंत हर्ष का विषय है कि केन्द्रीय विद्यालय बीएसएफ सुंदरबनी, विद्यालय पत्रिका के वार्षिक अंक का प्रकाशन कर रहा है। विद्यालय प्रबंधन समिति के अध्यक्ष के रूप में मैंने यह महसूस किया है कि विद्यालय द्वारा आज़ादी के इस अमृत कालखंड में स्कूली शिक्षा के बहुआयामी उद्देश्यों की प्राप्ति हेतु सराहनीय प्रयास किए जा रहे हैं। विद्यार्थियों के वैविध्यपूर्ण कौशलों को निखारने के साथ-साथ उनका चारित्रिक विकास करने में शिक्षकों की महत्वपूर्ण भूमिका होती है। यह कहते हुए अतिशयोक्ति नहीं होगी कि समस्त हितधारक शिक्षण एवं शिक्षणोत्तर गतिविधियों के माध्यम से विद्यार्थियों में सामाजिक, सांस्कृतिक एवं नैतिक मूल्यों का निरंतर विकास करने में सराहनीय भूमिका निभा रहे हैं। चूंकि विद्यालय सीमा सुरक्षा बल कैंपस में स्थित है। ऐसे में विद्यार्थियों में राष्ट्र के प्रति समर्पण भाव एवं राष्ट्रीय मूल्यों के विकास में सीमा सुरक्षा बल भी प्रत्यक्ष एवं परोक्ष रूप से अपनी भूमिका निभाता है। अंत में, मैं यह आशा और अपेक्षा करता हूं कि विद्यालय नई राष्ट्रीय शिक्षा नीति-2020 एवं केन्द्रीय विद्यालय संगठन के मापदंडों के अनुरूप निरंतर प्रगति करता रहेगा। विद्यालय प्रशासन, शिक्षकों, विद्यार्थियों एवं अभिभावकों सहित समस्त हितधारकों को राष्ट्र निर्माण में सराहनीय प्रयासों के लिए साधुवाद।

शुभकामनाओं सहित.....

संदेश

मुझे यह जानकर हार्दिक प्रसन्नता हो रही है कि केंद्रीय विद्यालय बीएसएफ, सुंदरबनी आज़ादी के अमृत कालखंड में अपने वार्षिक क्रियाकलापों की स्मारिका के रूप में विद्यालय पत्रिका का वार्षिकांक प्रकाशित करने जा रहा है। विद्यालय वार्षिक पत्रिका किसी भी विद्यालय का दर्पण होती है; जिसके माध्यम से वर्ष पर्यंत आयोजित होने वाली विद्यालय की विभिन्न गतिविधियों का चित्र प्रतिबिंबित होता है। साथ ही विद्यालय पत्रिका विद्यार्थियों को अपनी सृजनशीलता एवं मौलिकता को प्रदर्शित करने का अवसर प्रदान करती है। मुझे पूर्ण विश्वास है कि यह पत्रिका राष्ट्रीय शिक्षा नीति-2020 के लक्ष्यानुरूप विद्यार्थियों के रचनात्मक कौशल को विस्तारित करते हुए और व्यक्तित्व को निखारते हुए उनके सर्वांगीण विकास में सहायक होगी। पत्रिका के सफल प्रकाशन हेतु विद्यालय के प्राचार्य, शिक्षकों तथा छात्र-छात्राओं को हार्दिक शुभकामनाएं और शुभाशीष।

प्राचार्य सन्देश

प्रिय विद्यार्थियों, अभिभावकों, शिक्षकगण एवं सुधी पाठकों,
सप्रेम नमस्कार।

विद्यालय की वार्षिक पत्रिका के इस अंक के प्रकाशन पर मैं आप सभी को हार्दिक शुभकामनाएँ और बधाई देता हूँ। यह पत्रिका विद्यालय की शैक्षणिक, सांस्कृतिक तथा रचनात्मक गतिविधियों का दर्पण है, साथ ही यह हमारे विद्यार्थियों की सृजनशीलता, चिंतन क्षमता और आत्म-अभिव्यक्ति का मंच भी है।

हमारा देश आज़ादी के अमृत कालखंड में आत्मनिर्भरता, नवाचार और वैश्विक नेतृत्व की ओर अग्रसर है। यह समय हम सबके लिए आत्मचिंतन और पुनर्निर्माण का है—विशेषकर शिक्षा के क्षेत्र में।

आज का विद्यार्थी कल का नेतृत्वकर्ता है, और इस दिशा में शिक्षा की भूमिका अत्यंत महत्वपूर्ण है। इक्कीसवीं सदी की शिक्षा केवल किताबी ज्ञान तक सीमित नहीं रह गई है। यह बहु-आयामी, प्रौद्योगिकी-संपन्न तथा मानवमूल्य-आधारित बन चुकी है। आर्टिफिशियल इंटेलिजेंस, डेटा साइंस, पर्यावरण चेतना, डिजिटल साक्षरता जैसे विषय अब शिक्षा के केंद्र में हैं। साथ ही, सहअस्तित्व, नैतिकता, सहानुभूति जैसे जीवन-मूल्य भी उतने ही आवश्यक हैं। नई शिक्षा नीति-2020 की अपेक्षानुरूप हमारा प्रयास रहा है कि हम विद्यार्थियों को आधुनिक ज्ञान के साथ-साथ एक सशक्त नागरिक बनने की दिशा में भी तैयार करें।

विद्यालय में आयोजित विविध शैक्षणिक, सांस्कृतिक, खेल एवं नवाचार-आधारित गतिविधियाँ विद्यार्थियों को एक समग्र मंच प्रदान करती हैं। इस पत्रिका में संकलित गतिविधियाँ उसी बहुआयामी विकास का प्रतीक हैं।

मैं इस अवसर पर संपादकीय टीम को उनके परिश्रम, समर्पण और उत्कृष्ट संयोजन के लिए बधाई देता हूँ। साथ ही, मैं शिक्षकों, अभिभावकों और विद्यार्थियों को उनके निरंतर सहयोग व सहभागिता के लिए धन्यवाद देता हूँ।

आपका शुभेच्छु,

EDITOR-IN-CHIEF MESSAGE

It gives me immense joy and pride to present the latest edition of our school e-magazine, a vibrant reflection of the creativity, imagination, and dedication that define our students and teachers. This magazine is not just a collection of writings and artwork—it is a mirror of our school's spirit, a celebration of learning, and a tribute to teamwork and perseverance.

Each edition tells a story of growth and discovery. The pages are filled with the voices of our young learners who have expressed their dreams, ideas, and emotions through words and colours. Every poem, article, and drawing showcases their curiosity and individuality, making this magazine a true expression of student life.

At Kendriya Vidyalaya Sunderbani, we believe education extends beyond classrooms. This magazine provides students with a platform to think freely, express confidently, and present their ideas with originality and sincerity. I sincerely thank all teachers who guided students throughout this creative journey. A special appreciation goes to Ms. Shaileshwari Nabiya, our Art Teacher, whose artistic guidance added colour and character to this publication. I also acknowledge the constant support of our Principal and the entire staff.

The success of this edition is a result of teamwork, creativity, and dedication. May this magazine continue to inspire and celebrate the spirit of Kendriya Vidyalaya Sunderbani.

Happy Reading and Open with a Smile!

Regards
Manish Kumar

गणतंत्र दिवस समारोह

आज़ादी के अमृत काल में देश के गणतंत्र के 76वें पर्व की झलकियाँ ।

अंतर्राष्ट्रीय योग दिवस (21 जून)

केंद्रीय विद्यालय सुन्दरबनी में 21 जून को अंतर्राष्ट्रीय योग दिवस बड़े उत्साह और अनुशासन के साथ मनाया गया। इस अवसर पर विद्यालय के सभी छात्र-छात्राओं, शिक्षकों तथा कर्मचारियों ने सक्रिय रूप से भाग लिया।

कार्यक्रम की शुरुआत प्रातःकालीन प्रार्थना के साथ हुई, जिसके पश्चात् योग के महत्व पर प्रकाश डाला गया। प्रशिक्षकों के मार्गदर्शन में विद्यार्थियों एवं शिक्षकों ने ताड़ासन, वज्रासन, भुजंगासन, त्रिकोणासन, कपालभाति, प्राणायाम आदि विभिन्न योगासन और श्वसन क्रियाएँ कीं।

इस अवसर पर विद्यालय प्राचार्य ने विद्यार्थियों को संबोधित करते हुए कहा कि योग भारतीय संस्कृति की अमूल्य धरोहर है, जो शरीर, मन और आत्मा को संतुलित करता है। नियमित योगाभ्यास से एकाग्रता, स्वास्थ्य और अनुशासन में वृद्धि होती है।

आज़ादी के जश्न का 79वां पर्व

देश की प्रथम रक्षा पंक्ति सीमा सुरक्षा बल, सेक्टर मुख्यालय सुंदरबनी के BSF के कमांडेंट एवं अन्य अधिकारियों के आतिथ्य में आज़ादी का जश्न मनाया गया।

हर घर तिरंगा

हर घर तिरंगा अभियान के अंतर्गत स्टाफ एवं विद्यार्थियों ने विद्यालय में और अपने घरों पर तिरंगा फहराकर इस राष्ट्रीय अभियान में भागीदारी निभाई। इसके अतिरिक्त तिरंगा यात्रा का आयोजन भी किया गया।

EK BHARAT SHRESHTHA BHARAT

Kendriya Vidyalaya takes immense pride in celebrating the spirit of Ek Bharat Shreshtha Bharat.

At our Kendriya Vidyalaya, students actively participate in a variety of activities that highlight the richness of different states and union territories. From cultural dances and folk songs to exhibitions on handicrafts and cuisines, the celebration provides a platform for children to appreciate and respect the unique heritage of each region. Special assemblies, quizzes, and interactive sessions are also conducted to deepen knowledge about paired states under the program.

Through this initiative, students not only learn about India's vast diversity but also develop a sense of pride and belonging. It fosters the values of tolerance, respect, and unity among the young learners, preparing them to be responsible citizens of tomorrow.

भारतीय भाषा उत्सव

भारतीय भाषा उत्सव हर साल 11 दिसंबर को महाकवि सुब्रमण्यम भारती की जयंती के उपलक्ष्य में मनाया जाने वाला एक राष्ट्रीय उत्सव है, जिसका उद्देश्य भारत की भाषाई विविधता का जश्न मनाना और इसे बढ़ावा देना है।

BHARTIYA BHASHA SUMMER CAMP

This summer, our Bharatiya Bhasha Summer Camp was a vibrant celebration of India's linguistic diversity, where participants immersed themselves in learning various Indian languages. It was a wonderful opportunity to connect with our cultural roots and explore the beauty of different regional languages.

VIKSIT BHARATH BUILDATHON 2025

Viksit Bharat Buildathon 2025 was organized across India on 13 October 2025 by the Ministry of Education in collaboration with AICTE. Students from our school also actively participated in this national event, showcasing their innovative ideas and solutions for a self-reliant and developed India. The event encouraged creativity, problem-solving, and teamwork, making it a proud moment of learning and inspiration for all participants.

SCOUT AND GUIDES

The Bharat Scouts and Guides wing of Kendriya Vidyalaya BSF Sunderbani has always been a pillar of discipline, service, and character building for our young students. In the session 2025-26, our Scouts, Guides, Cubs, and Bulbuls actively participated in various programmes and achieved remarkable success.

Celebrations and Awareness Programmes

Throughout the session, our students enthusiastically took part in important national and international days that reflect our values:

- **World Environment Day** – Students pledged to protect the environment and participated in tree plantation and awareness drives.
- **International Yoga Day** – Mass yoga sessions were organized to promote physical fitness and mental well-being.
- **International Youth Day** – Scouts and Guides took part in activities highlighting the role of youth in nation-building.
- **Independence Day** – Our students actively participated in the flag hoisting ceremony and cultural events.
- **Nasha Mukta Bharat Abhiyaan** – Awareness programmes, rallies, and pledges were conducted to spread the message of a drug-free society.

Achievements in Scouting and Guiding

This year has been especially fruitful for our unit, with Scouts and Guides proving their dedication through various testing camps:

- **Tritya Sopan Testing Camps**
 - 8 Scouts successfully passed the Tritya Sopan Testing Camp held at KV Nagrota (2nd – 4th August 2025).
 - 5 Guides successfully cleared the Tritya Sopan Camp at KV Miran Sahib.
- **Rajya Puraskar Testing Camps**
 - 7 Scouts proudly passed the Rajya Puraskar Testing Camp held at KV Nagrota (22nd – 25th August 2025).
 - 5 Guides successfully cleared the Rajya Puraskar Camp at KV No.1 Udhampur.

Strength of Our Unit

At present, our Vidyalaya nurtures a strong and vibrant Scout & Guide unit with:

- **Cubs:** 42
- **Bulbuls:** 29
- **Scouts:** 51
- **Guides:** 50

Conclusion

The achievements of our Scouts and Guides this session reflect their dedication, teamwork, and service to society. The Bharat Scouts and Guides of KV BSF Sunderbani are committed to carrying forward the values of discipline, responsibility, and patriotism in the years to come.

CONTINUOUS PROFESSIONAL DEVELOPMENT (CPD)

National Education Policy 2020 places teachers at the centre of educational reforms, recognising them as agents of change. In today's fast-changing environment of information and media, it is vital for teachers to develop 21st-century skills and key competencies as highlighted under UNESCO's Sustainable Development Goals.

To achieve this, NEP 2020 recommends **50 hours of Continuous Professional Development (CPD)** for teachers, Principals, and teacher-educators, allowing them autonomy to choose online or offline training through a cafeteria approach.

CPD Courses conducted at KV Sunderbani:

1. NEP 2020 Features; Scheme of Studies, Syllabus & Textbook – 30.06.2025
2. Competency-based Assessment, Inclusive Education, FLN – 31.07.2025
3. KVS Flagship Programs, Use of ICT, 21st Century Skills, Jadui Pitara – 30.08.2025

Creative Learning Activities

INTRODUCTION

The CLA (Creative Learning Activities) department in Kendriya Vidyalaya Sangathan (KVS), formerly known as CCA (Co-Curricular Activities), plays a crucial role in the holistic development of students. It encompasses a wide range of enrichment activities such as club activities, cultural programs, debates, extempore speeches, and various competitions that engage students beyond regular academics. The main importance of the CLA department lies in nurturing essential life skills like leadership, teamwork, creativity, communication, and social responsibility among students. It supports the overall growth and personality development of students by providing opportunities to explore their interests and talents in a structured manner.

The CLA activities are integrated into the school timetable with dedicated periods to facilitate these engagements uniformly across all classes, from I to XII, ensuring consistent implementation throughout KVS. The department also promotes values such as camaraderie, school spirit, and social awareness through activities like debate, extempore, Storytelling, poster making, special day celebration and eco-clubs aligned with Mission LiFE (Lifestyle for Environment). By focusing on a blend of cultural, intellectual, and physical activities, the CLA department contributes significantly to making education in KVS more well-rounded and effective for preparing students for diverse challenges beyond academics.

In the upcoming pages you will be seeing the activities conducted in our Vidyalaya in Primary Section followed by in Secondary Section.

जीवन में संघर्ष

खुद को साबित करने के लिए कुछ करना पड़ता है
कई बार वक्त के मुताबिक ढलना पड़ता है
कि वक्त के मुताबिक ढलना पड़ता है।
जरूरी नहीं हर मुकाम तेरा हो
मगर वो मुकाम पाना है तो
कुछ करना पड़ता है
कि वक्त के मुताबिक ढलना पड़ता है।
कामयाबी यूँ ही नहीं मिल जाती हर किसी को
उसके लिए कुछ करना पड़ता है
मुश्किल मुकाम को पाने के लिए लड़ना पड़ता है
कि वक्त के मुताबिक ढलना पड़ता है।
लोग कहते हैं कुछ पाने के लिए कुछ खोना पड़ता है
गलत है जनाब
कुछ पाने के लिए कुछ करना पड़ता है
कि वक्त के मुताबिक ढलना पड़ता है।
यूँ ही मिल जाता नसीब को
खुदा की ज़रूरत क्या थी
यूँ ही बन जाती तकदीर तो
मेहनत की ज़रूरत क्या थी।
यह वक्त है जनाब
करना भी पड़ता है
लड़ना भी पड़ता है
और कई बार तो मरना भी पड़ता है
कि वक्त के मुताबिक ढलना पड़ता है।

विद्यालय की यादें

हम सबकी प्यारी यह पाठशाला,
ज्ञान का देता सच्चा उजाला।
हँसी, खेल और प्यारी बातें,
यहीं मिलें जीवन की सौगातें।

शिक्षक देते मार्ग हमें,
सपनों की ऊँचाई तक ले चलें।
दोस्त यहाँ परिवार बन जाते,
हर पल नई खुशी दे जाते।

विद्यालय है जीवन की राह,
यहीं से मिलती सच्ची चाह।
आओ मिलकर गर्व करें,
अपने स्कूल से प्यार करें।

Life...

Life is short,
Don't waste it
Life is sweet,
Take time to taste it
Life is a journey,
Find the right path,
Life is entertaining,
Don't be afraid of laugh
Life is for good times,
Make them last
Life has it bad times,
Put them in past.
Life is a chance,
Make sure you take it.
But most importantly.....
Life is what you make it.

🔥 *By Prachi Sinha, Class VII*

माँ की ममता.....

माँ की ममता है सबसे न्यारी,
है हम सबकी माता प्यारी।
हम सबका ख्याल है रखती,
इसलिए प्रथम गुरु है केहलाती।
हमेशा अच्छी बातें बताती
सच की राह हमें दिखाती
कभी न आँसू आने देती
नौ महीने पेट में रखती
बिना बताये सब दर्द है सेहती
कभी न रुकती कभी न थकती
बस अपनी ममता हमें देती
दुःख में हमें माँ याद आये
और माँ ही हमें सही रास्ता दिखाये।
आयो हम माँ के गुण गाये
उनके चरणों में शीश नवाये
माँ की ममता का कोई आकार नहीं..
उनके बिना दुनिया का आधार नहीं।
कितना भी लिखो उनके लिए कम है....
सच है ये कि "माँ तु है तो हम है"।

The Place I Love

The place I love is bright & sweet,
Here my friends & teachers meet.
We read and write, we learn & play,
Happiness fills me everyday.
The place I love has books & fun,
It shines like gold, just like the sun.
This place is special, this is true,
Dear school, I always love you!

🔥 By Nishika Dogra, Class: II

The Journey of Learning

Within these walls, we start to dream,
Each thought a spark, each mind a beam.
The books we read, the words we write,
Turn darkest doubts to guiding light.

The playground sings of joy and cheer,
Friendship grows stronger year by year.
In every smile, in every race,
We find our strength, we find our place.

Mistakes may come, yet lessons stay,
They shape our hearts in their own way.
The future calls, so vast, so bright,
We walk ahead with courage, light.

So let this school, our second home,
Be where our seeds of wisdom roam.
And from these roots, may we all rise,
To paint new dreams across the skies.

🔥 ***By Shravan, Class: IX***

Your best!

If you always try your best
Then you will never have to wonder,
About what you could have done
If you'd summoned all your thunder.
And if your best
Was not as good,
As you hoped it would be,
You still could say,
"I gave today
All that I had in me."

Childhood and the Classroom

A child's life is full of cheer,
Every day brings something dear.
Games to play and dreams to chase,
Smiles that light up every face.
With tiny steps and hearts so kind,
Magic lives in every mind.
Oh, childhood days so pure, so bright,
A world of wonder, full of light!
School's a place where we all meet,
Learning here is such a treat.
Books and pencils, games and fun,
A shining journey has begun.
Teachers guide us, friends are near,
Happy moments through the year.
School's the place we love to stay,
It makes us brighter every day!

Inside the Departments

ECO CLUB

The Eco Club of our school was established to create awareness among students about the importance of conserving the environment and promoting sustainable living. The club motivates young minds to take small steps towards protecting nature and to develop a sense of responsibility towards our planet. It also provides opportunities for students to participate in activities that enhance their knowledge and love for the environment.

During the academic session, the Eco Club organized several meaningful activities, including:

- Plantation Drive
- QR Code Generation Activity
- Dolphin Conservation Awareness
- World Earth Day Celebration
- *Ek Ped Maa Ke Naam* Campaign
- Oil and Sugar Board Making

Through these initiatives, the Eco Club has inspired students to contribute actively towards safeguarding the environment and making the Earth a greener and healthier place to live.

HEALTH AND HYGIENE

- Albendazole distribution programme

Good health is essential for students' growth and learning. To promote awareness and well-being, our school organized an Albendazole tablet distribution program under the guidance of health authorities. Students were informed about the importance of deworming and were supervised while taking the tablets. The initiative, supported by teachers and staff, helped safeguard children's health and encouraged good hygiene and healthy living habits.

- World Hepatitis Day

On the occasion of World Hepatitis Day, our school organized an awareness session to spread knowledge about the prevention and treatment of hepatitis. The session was delivered by Dr. Aditya Sharma, who explained the causes, symptoms, and ways to protect ourselves from this disease in simple language.

Students learned the importance of vaccination, hygiene, and healthy lifestyle practices to stay safe. The session was very informative and motivated everyone to take responsibility for their own health.

- PM POSHAN Awareness Program

Our school recently organised an awareness program under the Pradhan Mantri Poshan Shakti Nirman (PM POSHAN) scheme. The aim was not only to provide nutritious mid-day meals to students but also to educate parents about the importance of healthy food and hygiene in a child's life. Parents were guided on preparing balanced meals at home, maintaining cleanliness, and encouraging good eating habits. Such sessions help families work together with the school to ensure that children grow strong, active, and ready to learn.

WORK EDUCATION & VOCATIONAL EDUCATION

At KV BSF Sunderbani, Work Education and Vocational Education are not just subjects, but experiences that prepare our students for real life. The aim is simple – to help every child pick up useful skills, become self-reliant, and develop confidence in handling day-to-day challenges.

What We Did This Year

- **Classes VI–VIII:**

Students took part in **Plant Nursery and Kitchen Garden activities**. From preparing the soil and sowing seeds to caring for plants, they experienced the joy of creating something with their own hands

- The focus was on **Fuse, MCB, and Isolator devices**. Students not only studied how these devices protect our homes but also got a chance to see how they are used in real life.

• FOOD FEST

- **SCHOOL KITCHEN GARDEN**

MUSIC DEPARTMENT

❀ Music is a soul of kendriya vidyalaya ❀

साज़ की हर एक लय में, छुपा कोई जज़्बात है,
चुप लफ़्ज़ों की जुबां बन जाए, वो संगीत की बात है।

By RAMJI LAL MEENA, PRT Music

🌟 Music is not just a subject; it is a language of emotion, a path to creativity, and a bridge between cultures. In Kendriya Vidyalayas (KVs), music education holds a special place, playing a vital role in the holistic development of students across the country. Music classes in KVs are not limited to singing songs.

ART AND CRAFT

Art and Craft classes at Kendriya Vidyalaya are more than just a part of the curriculum — they are a vibrant reflection of creativity, expression, and culture. These classes provide students with a unique platform to explore their imagination, build confidence, and discover the joy of creating something with their own hands.

Paper craft

In a world dominated by technology and screens, art and craft remain a powerful way to keep the flame of imagination alive. At Kendriya Vidyalaya, we believe that every child is an artist — all they need is a little encouragement, some colors, and a world to dream in.

Art is not only about making beautiful things; it is also about thinking differently. Our students are encouraged to express their thoughts on social issues, festivals, nature, and emotions through their artwork. The walls of our school often come alive with stunning displays of student creations that speak volumes without saying a word.

Let the colours speak, and may creativity always flourish in the hearts of our young learners

Art Camp

SPORTS DEPARTMENT

Sports play a vital role in the growth and development of students at Kendriya Vidyalaya Sunderbani. The school promotes active participation in games, martial arts, and physical activities, leading to notable achievements at various levels.

The school also organised a Summer Sports Camp and a Pre-National Coaching Camp, giving students intensive training. International Day of Yoga was celebrated to promote fitness, concentration, and holistic well-being.

These achievements reflect the discipline of students and the guidance of the school administration and physical education department. KV Sunderbani continues to nurture young sports talent for higher levels of excellence.

हिंदी विभाग

कक्षा 6, 7 और 8 में 'हिन्दी' पाठ्य पुस्तक के आधार पर विभिन्न शैक्षिक एवं रचनात्मक गतिविधियाँ कराई गईं। इन गतिविधियों का उद्देश्य विद्यार्थियों में भाषा ज्ञान, अभिव्यक्ति क्षमता तथा सृजनशीलता का विकास करना था। कक्षा छठी में विद्यार्थियों से पाठों का वाचन, शब्दार्थ खोजने, प्रश्नोत्तर लिखने तथा कविता का सामूहिक पाठ कराया गया। साथ ही चित्र देखकर कहानी लेखन और भूमिका निर्वाह जैसी गतिविधियों से उनकी कल्पनाशीलता बढ़ी।

कक्षा सातवीं में विद्यार्थियों ने पाठों का संवाद शैली में वाचन किया तथा समूह चर्चा द्वारा पाठ की मुख्य बातें निकालीं। शब्द भंडार को समृद्ध करने हेतु शब्द खेल, पहेली व मुहावरों का प्रयोग कराया गया। छात्रों ने कविता गायन, नाटक प्रस्तुति और भाषण प्रतियोगिता में भी सक्रिय भागीदारी की।

कक्षा आठवीं में विद्यार्थियों को लेखन कार्य जैसे अनुच्छेद लेखन, पत्र लेखन, तथा सार लेखन कराया गया। साथ ही विचार-विमर्श, वाद-विवाद और प्रश्नोत्तरी प्रतियोगिता द्वारा उनमें तर्कशक्ति और आत्मविश्वास का विकास हुआ।

इन सभी गतिविधियों से विद्यार्थियों में भाषा के प्रति रुचि, टीम भावना और आत्म-अभिव्यक्ति की क्षमता में उल्लेखनीय वृद्धि देखी गई। गतिविधियों के माध्यम से न केवल अध्ययन रोचक बना, बल्कि विद्यार्थियों में रचनात्मकता, सहयोग और आत्मविश्वास का भी विकास हुआ।

आगे हिंदी पखवाड़े की झलकियाँ देखते हैं ...

"हिंदी केवल भाषा नहीं, हमारी सांस्कृतिक पहचान है।"

हर वर्ष 14 सितम्बर को हिंदी दिवस के अवसर पर हमारे विद्यालय में हिंदी पखवाड़ा का आयोजन किया जाता है। यह पखवाड़ा केवल एक औपचारिक कार्यक्रम नहीं, बल्कि हमारी मातृभाषा हिंदी के प्रति सम्मान, प्रेम और जागरूकता का प्रतीक है। इस वर्ष भी यह आयोजन अत्यंत उत्साह, जोश और गरिमा के साथ मनाया गया।

🎯 उद्देश्य

हिंदी पखवाड़ा का मुख्य उद्देश्य विद्यार्थियों में हिंदी भाषा के प्रति रुचि, रचनात्मकता एवं संवेदनशीलता का विकास करना है। साथ ही, उन्हें यह समझाना कि हिंदी केवल संप्रेषण का माध्यम नहीं, बल्कि हमारी संस्कृति, विरासत और एकता की भाषा है।

SCIENCE DEPARTMENT

"All truths are easy to understand once they are discovered, the point is to discover them."

Galileo Galilei

Introduction

Science stands for systematic and comprehensive investigation of natural causes and effects. It helps students explore the universe, understand how things work, and apply this knowledge to the past, present, and future.

Aims of Teaching Science

- Objectivity and fact-based learning
- Critical thinking and problem solving
- Acquisition of scientific skills
- Understanding of methods and processes
- Curiosity and inquiry-based learning
- Creativity and innovation

Science Club

Established in 2023, the Science Club has been working effectively to develop scientific attitudes among students. It regularly organizes quizzes, debates, Olympiads, and exhibitions. Students are encouraged to take up projects linked to daily life and global scientific issues.

Major Activities

- Quiz competitions, debates, and Olympiads
- Student projects on real-life scientific problems
- Science Exhibitions at school and higher levels (INSPIRE, JNNSMEE, NCSE, VVM, RBSVP)

These activities provide opportunities for innovation, presentation skills, and research beyond textbooks, preparing students for future careers and challenges.

Laboratories

The school has a well-equipped Science Lab with apparatus, specimens, and chemicals up to Class 12. Regular practical lessons are conducted to encourage independent thinking, curiosity, and creativity. The lab promotes integrity, evidence-based learning, and hands-on experimentation.

Achievements

- Successful organization of Science Exhibition and Plantation Drive
- Regular school-level quiz competitions
- Active participation in national-level events like INSPIRE, NCSE, VVM, JNNSMEE, and RBSVP

MATH DEPARTMENT

Mathematics is rightly called the most beautiful and powerful creation of the human spirit. At our Vidyalaya, the Mathematics Department is dedicated to making the subject joyful, meaningful, and connected to real-life situations. In line with **NEP 2020**, we focus on project-based learning and activity-oriented teaching, enabling students to develop logical thinking, reasoning, and problem-solving skills. We ensure that mathematics is not studied in isolation but as a tool for life, art, and other subjects. By nurturing **21st-century skills** such as critical thinking, creativity, and collaboration, we prepare our students to face future challenges with confidence while enjoying the true beauty of mathematics.

SOF(MATHS OLYMPIAD)	68 students registered for IMO

COMPUTER SCIENCE DEPARTMENT

**“Software is a great combination between artistry and engineering.”
– Bill Gates**

The Computer Science Department of our Vidyalaya is committed to nurturing young learners into confident problem-solvers and creative thinkers of the digital age. From Classes VI to X, students are introduced to Artificial Intelligence and related concepts, making them future-ready from an early stage.

Computer Science is not just about coding; it is about understanding logic, systems, and processes that power modern life. Despite limited infrastructure at present, the department provides knowledge-rich learning experiences through innovative teaching methods and engaging activities. Students participate in coding tasks, digital design, poster and presentation making, and AI-based projects, which help them connect technology with creativity.

- **Online Session on Cyber Security for Students**

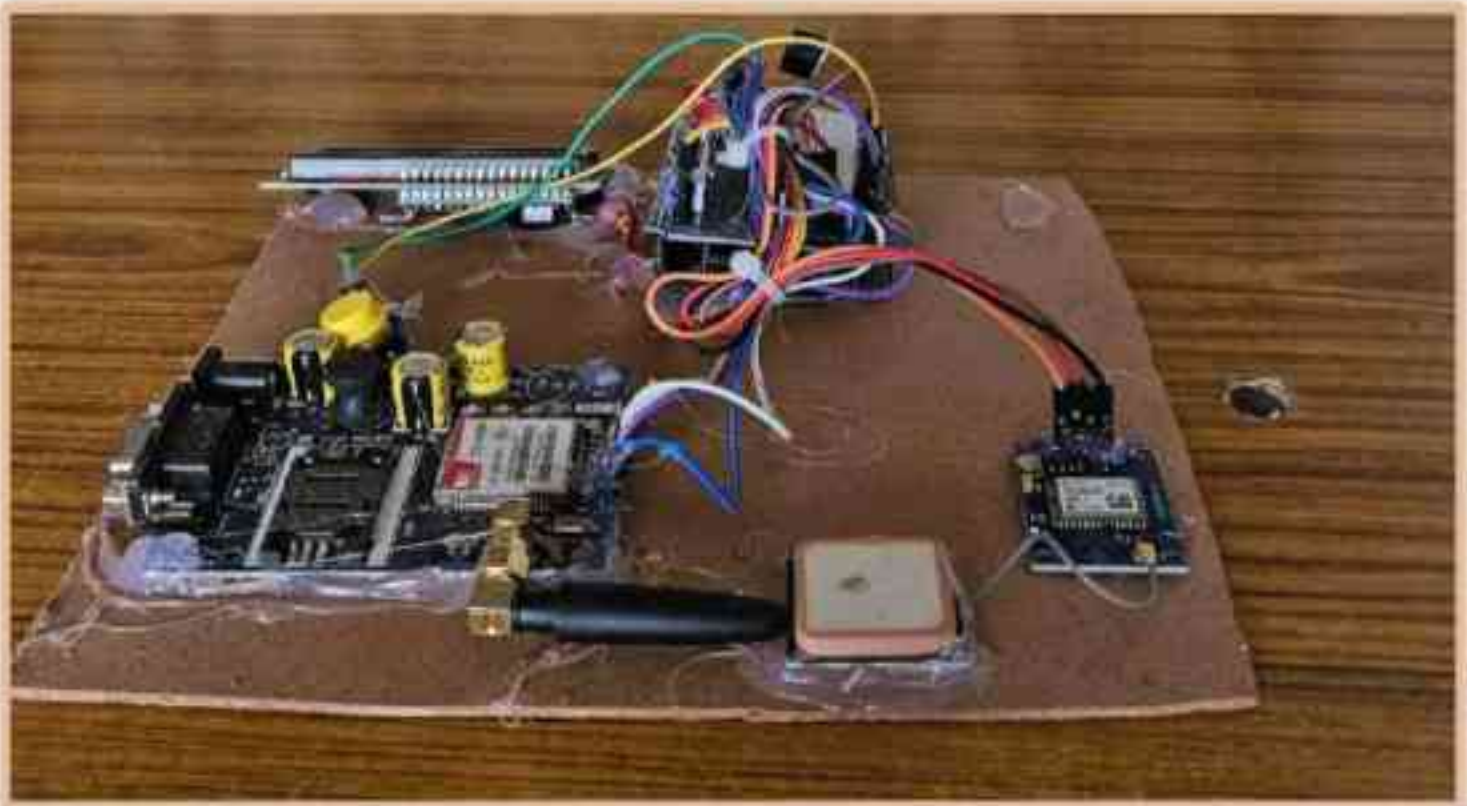

- **Python Programming Activity**

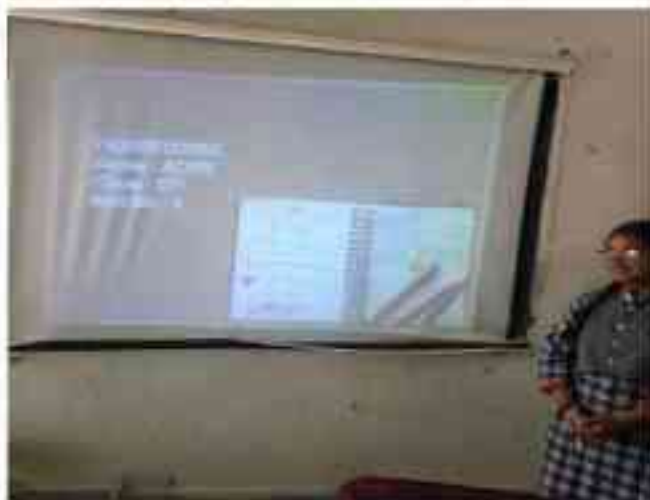

- **Project on “Social Safety using GSM and GPS”:**

It is designed to enhance personal security by sending emergency alerts with live location to predefined contacts. Built using Arduino, GSM, GPS, buzzer, and LCD, it is compact and portable for real-life use. It connects with Computer Science through coding, hardware interfacing, and application of digital communication systems.

- **Some Ideas Pitched by Students:**

- **Bagless Day Session on AI (Artificial Intelligence) for Class VI to VIII**

• Session on Canva Application

LIBRARY DEPARTMENT

A school library is an essential part of any educational institution as it provides students with access to vast resources that support their learning and personal growth. It offers books, magazines, and digital materials on a variety of subjects, going beyond textbooks to spark curiosity and broaden knowledge. Libraries encourage the habit of reading, which helps improve vocabulary, comprehension, and critical thinking skills.

Beyond academics, libraries cultivate social skills and creativity by providing a space where students can collaborate, engage in discussions, or participate in literary and cultural activities. They help develop problem-solving abilities and promote responsible behavior and respect for shared resources.

ENGLISH DEPARTMENT

"Words are the bridges that connect minds; every language opens a new doorway to the world."

Language is the most vital instrument of human interaction. It moulds our thoughts, reflects our emotions, and shapes our outlook on life. Mastery of more than one language sharpens skills and broadens perspectives. Each language carries its own charm, and English, in particular, holds immense significance in the present era. Today, English has become an integral part of communication in daily life.

"As long as you carry a language within you, you will never feel a stranger anywhere."

These values are at the heart of our Vidyalaya. We aspire, we plan, we act, and we trust in our efforts to achieve excellence.

The key goals of our department are to:

- Strengthen students' linguistic proficiency
- Develop higher-order thinking and analytical ability
- Encourage cultural sensitivity and understanding
- Inspire creativity and self-expression
- Build effective strategies for lifelong language learning

To achieve these aims, we engage students in a wide range of activities: presentations, seminars, debates, discussions, quizzes, essay writing, poetry recitation, reading challenges, word games, and puzzles. Interactive methods such as role play and simulation add vibrancy to classroom learning and spark enthusiasm for the subject. Students are further guided to improve skills through practices like using a pocket dictionary, learning new vocabulary daily, and watching English news channels to refine speaking abilities.

The English Department remains committed to nurturing and refining students' literary abilities, giving them confidence to use English as a powerful tool of communication. Each year, our learners achieve remarkable success in competitions such as the India Spell Bee, International English Olympiad, and the Hummingbird English Olympiad.

"Learning a new language is not just about new words; it is about seeing the world with fresh eyes." – Anonymous

DEPARTMENT OF SOCIAL SCIENCE

"The more you know about the past, the better prepared you are for the future."

— Theodore Roosevelt

The subject of Social Science equips students with knowledge, values, and skills to understand human society, history, environment, economy, and politics. It nurtures responsible citizenship, critical awareness, and sensitivity towards global and local issues.

Aims of Teaching SST

- Develop critical and reflective thinking
- Promote awareness of social, economic, and political issues
- Encourage democratic values, equality, and justice
- Understand interdependence of humans and environment
- Build research, analytical, and communication skills
- Instill responsibility, tolerance, and cooperation

Social Science Club Activities

To strengthen teaching-learning, the club organizes engaging activities such as:

- Quizzes, debates, and declamations
- Heritage walks and educational excursions
- Celebration of Constitution Day, World Environment Day, Human Rights Day, etc.
- Model Parliament & Mock UN sessions
- Exhibitions and projects on economy, resources, and cultural diversity

Resources & Facilities

Smart classrooms with ICT tools, map room and globes, departmental library, and interactive methods like role plays and case studies enrich learning.

Achievements

- Successful Social Science Exhibition
- Active participation in CBSE Heritage India Quiz
- Organization of Mock Parliament and Constitution Day events
- Awards in essay writing, poster making, and debates
- Contribution to community drives like Swachh Bharat, plantation, and voter awareness

Little Explorers

FLN (FOUNDATIONAL LITERACY AND NUMERACY)

In our school, we give special attention to Foundational Literacy and Numeracy, where we observe and assess the children's basic literacy and numeracy skills, and provide them with necessary support and actions to take. We adopt a very comprehensive approach to this, incorporating it into various activities and subjects, and integrating it with environmental and other aspects to make learning more engaging and effective. Glimpse of FLN in our Vidyalaya is shown below:

- बच्चों में अक्सर गणित का भय विकसित हो जाता है, जिसे खेल-आधारित शिक्षा के माध्यम से दूर किया जा सकता है। हम गणित की मूल बातों को खेल-विधि से सिखाने पर ध्यान केंद्रित करते हैं, जिसमें खिलौनों और इंटरैक्टिव शिक्षण सामग्री का उपयोग करके सीखने को मजेदार और सुलभ बनाया जाता है।

- खेलौना-आधारित शिक्षा से न केवल बच्चे सीखते हैं, बल्कि इससे उनके मोटर कौशल और फाइन मोटर विकास पर भी सकारात्मक प्रभाव पड़ता है, जिससे बच्चों का सर्वांगीण विकास रोचक और प्रभावी होता है।

- **STORY TELLING ACTIVITY:** Storytelling becomes engaging when done with puppets and experiential learning. In our school, kids create their own stories and teachers use puppets and TLM to narrate tales, fostering holistic development in children through creative storytelling.
