MESSAGE FROM OUR LEADERS

According to Swami Vivekananda, education is the manifestation of the completeness that already exists in a human being. We, at Kendriya Vidyalaya Bacheli, under the patronage of the Kendriya Vidyalaya Sangathan, work as a team to foster the abilities of the students for their all around development in such a manner that their inherent completeness may externalize spontaneously.

The plethora of scholastic and co-scholastic activities available at our premises gives the primary students an opportunity to choose according to their tastes and talents, and provides them the freedom to excel in the fields of their interest.

Mr. Shersingh Rajpoot
Principal

Education is the best friend. An educated person is respected everywhere. Education beats the beauty and the youth.

Mrs. Mamta Kumari
Head Mistress

Each child is a unique individual with infinite potential. Childhood is the most important phase of life, wherechildren develop their own ways of learning. Our goal at Primary is to foster their holistic development by providing them with ample opportunities to express themselves positively. Our CMP Newsletter showcases the glimpses of various vidyalaya activities that enhance their learning experiences.

i would like to congratulate all the team members of Primary, as well as the enthusiastic students and their parents for their continuous support. I would also like to thank our mentors and NMDC management for their timely guidance.

IF WE WANT TO REACH REAL PEACE IN THIS WORLD, WE SHOULD START EDUCATING CHILDREN.
