

PM SHRI KENDRIYA VIDYALAYA MALLESWARAM, SHIFT- II

CLASS – 3 TERM II MDP (2025–26) THEME – COMMUNITY HELPERS
PRESENTATION – SCRAPBOOK / PROJECT FILE

INSTRUCTIONS

- Create a scrapbook / creative folder on Community Helpers while applying skills from four subjects (English, Hindi, Mathematics, TWAU).
- All subjects should be integrated in the project.
- The project should be art-integrated and presented neatly and creatively.
- No subject-wise bifurcation of marks in the project.

SUGGESTIONS

- Use simple sentences and child-friendly language.
- Give a suitable title to your project.
- Include information about different community helpers, such as:
 - Doctor
 - Teacher
 - Farmer
 - Police Officer
 - Firefighter
- Show how community helpers help us in daily life.
- Include:
 - Tools used by helpers (stethoscope, plough, uniform, etc.)
 - Workplaces (school, hospital, farm, police station)
 - Respect and gratitude towards helpers
- Integrate Mathematics by counting helpers, tools, working hours, uniforms, etc.
- Add drawings, colouring, cut-and-paste pictures, charts, and labels.
- End the project with a thank-you message or moral.

RUBRICS

Criteria	Marks
Creativity	5 Marks

CLASS – 4

TERM II MDP (2025–26)

THEME – FESTIVALS

PRESENTATION – SCRAPBOOK / CREATIVE FOLDER

INSTRUCTIONS

- Create a scrapbook / creative folder on Festivals while applying skills from four subjects (English, Hindi, Mathematics, TWAU).
- All subjects should be integrated in the project.
- The project should be art integrated and presented in a creative manner.
- No subject wise bifurcation of marks in the project.

SUGGESTIONS

- Use simple sentences and festival related vocabulary in short write-ups, captions, and labels.
- Give a suitable title to the scrapbook / creative folder.
- Include topics related to:
 - Major Indian festivals (Diwali, Holi, Eid, Christmas, Pongal, Baisakhi, Onam, etc.)
 - Importance of festivals and values (sharing, unity, joy)
 - Traditional food, clothes, music, and decorations
 - Eco friendly celebration of festivals
 - Festivals of different states of India
 - Counting days, dates, sweets, guests (Mathematics integration)
 - Add interesting facts or a short moral/message about festivals.

MESSAGE

“Festivals teach us joy, unity, and respect for our rich culture.”

PM SHRI KENDRIYA VIDYALAYA MALLESWARAM, SHIFT- II

CLASS – 5

TERM II MDP (2025–26)

THEME – MONEY AND SHOPPING

PRESENTATION – SCRAPBOOK / PROJECT FILE

INSTRUCTIONS

- Create a scrapbook / project file on Money and Shopping by integrating learning from English, Hindi, Mathematics, and TWAU.
- The project should show real-life application of money concepts.
- The work must be neat, creative, and well-organised.
- No subject-wise bifurcation of marks in the project.

SUGGESTED CONTENT

- History of money (barter system to digital payments – brief)
- Indian currency: coins and notes (₹)
- Saving, spending, and budgeting
- Banking basics (ATM, bank, passbook)
- Consumer awareness (MRP, bill, receipt)

LEARNING OUTCOME

- Understand the importance of money in daily life
- Develop habits of saving and budgeting
- Apply money concepts in real-life situations
- Become a responsible and aware consumer

CREATIVE IDEAS

- Prepare a weekly budget chart
- Make a sample bill/receipt
- Draw a savings plan (piggy bank to bank)

RUBRICS

Criteria	Marks
Creativity & Innovation	5 Marks
Concept Clarity	5 Marks
Subject Integration	5 Marks
Presentation & Effort	5 Marks

MESSAGE

“Money is a resource—use it wisely, save it carefully, and spend it responsibly.”
