Subject: Undertaking Regarding Building Safety Certificate

Respected Sir/Madam,

I, Ved Prakash Goutam, Principal of PM SHRI KV AFS Thane (34049), located at Kolshet Thane, respectfully submit this undertaking in connection with the CBSE affiliation process.

At present, our school building is undergoing essential repairs, and construction of a new school building is also in progress to enhance infrastructure and ensure better facilities for our students. Due to the ongoing construction and repair work, we have not yet obtained the final *Building Safety Certificate* from the competent authority.

However, I would like to assure you that all necessary precautions and safety measures are being strictly adhered to during this period. We have implemented thorough supervision and safety protocols to ensure the wellbeing of all students, staff, and visitors within the school premises.

We are committed to obtaining the requisite Building Safety Certificate at the earliest, once the construction work is completed. A formal and certified document will be uploaded and submitted accordingly.

We request the CBSE to kindly consider this undertaking and grant us the necessary time and approval to fulfill this requirement.

Thank you for your understanding and support.

Yours sincerely,

Ved Prakash Goutam

SCHOOL BUILDING SAFETY REPORT OF KV AFS THANE REGARDING

1. Please refer KV Sangathan, Mumbai letter No 27350/25/11/KVS RO Mumbai/23-24/Misc dt 25 Sep 2023.
2. A joint meeting was conducted between Chairman VMC KV AFS Thane, C Adm O AFS Thane, Asst Commissioner KVS RO Mumbai, GE (AF) Thane, AGE (B/R) AFS Thane and Principal KV AFS Thane alongwith DC KVS Mumbai (on phone) on 23 Sep 2023. The key point of the meet was to prioritize repairs and maintenance work for smooth and effective functioning of the school till such time new building is constructed.
3. Subsequently, this office was approached to provide a rough indication of cost (RIC) for repair and rehabilitation work estimate to KV in one week duly considering the request made by KV for repair. A joint inspection was conducted by this office and KV officials present in the meeting to ascertain issues and rectification required thereof.
4. Consequently, Rough Indication of Cost (RIC) was worked out to be Rs. 32,73,000 say Rs. 33.00 lacs. Details of the same is fwd herewith subject to no cost variation quoted by contractor while tender is accepted. It is brought out that the scope of works thus proposed is of repair and rehabilitation works and will be strived to complete within three months after contract being awarded successfully to expeditiously address the issue provided funds are allotted from KV Sangathan on time as discussed in the meeting.
5. It is also submitted that these works being maintenance in nature cannot be taken as structural strengthening works. To carry out structural strengthening works, structural audit may be conducted in near future by the KV Sangathan.
6. For info & necessary action pl.
