**Learning together even when  
we are apart.**

**"Technology is the best when  
it brings you together. "**

**Principal  
Sh. Munna Lal**

**From  
Principal's  
desk**

**Dear Parents**

**we are elated to be an important and significant part of your child's exceptional life.**

**At Elementary school years the institution maintains the tradition of inculcating values in the minds of our dear students with an aim to develop first hand thoughts and ideas to evolve them a good human being.**

**Dearies , we are living in a world that is so different from the one in which we grew up. Also today's education scenario and a student's life style has totally been revolutionised .**

**Moreover the pandemic covid-19 has brought a great substantial change in our children's style which they are experiencing to a great extent. The means and ways for learning has totally changed in such an accelerated pace that even we as educators need to take a pause and reflect on the challenges of present scenario of education.**

**No doubt the pandemic can put a shadow on certain things but we must 'count the blessings not the curse'. I appreciate and congratulate all the parents and dynamic children for their zeal and enthusiasm to cope up with pandemic and emerge as jubilant survivors. Last but not the least I wish to extend my best wishes for their good health and bright future ahead.**

**Thank you**

*From Headmistress's  
desk*

A little progress each day adds up to big results.

In the current challenging circumstances the education of primary students has provided to be on adventure to accomplish fruitful teaching learning process, a wide range of opportunities are being provided to our tiny tots since the beginning of this academic session. The primary section of

KV Narela has tried its best to provide a platform to showcase the talent and build the platform for necessary skill development amongst our students. The glimpses of session 2020-21 illustrating the creative abilities of our students. Through this newsletter I would like to appreciate the efforts of hardwork and commitment of the teachers of our primary section and I would like to express sincere gratitude to the valued guidance of our honourable Principal Sir.

Aakanksha,

## Note from senior Primary Teacher

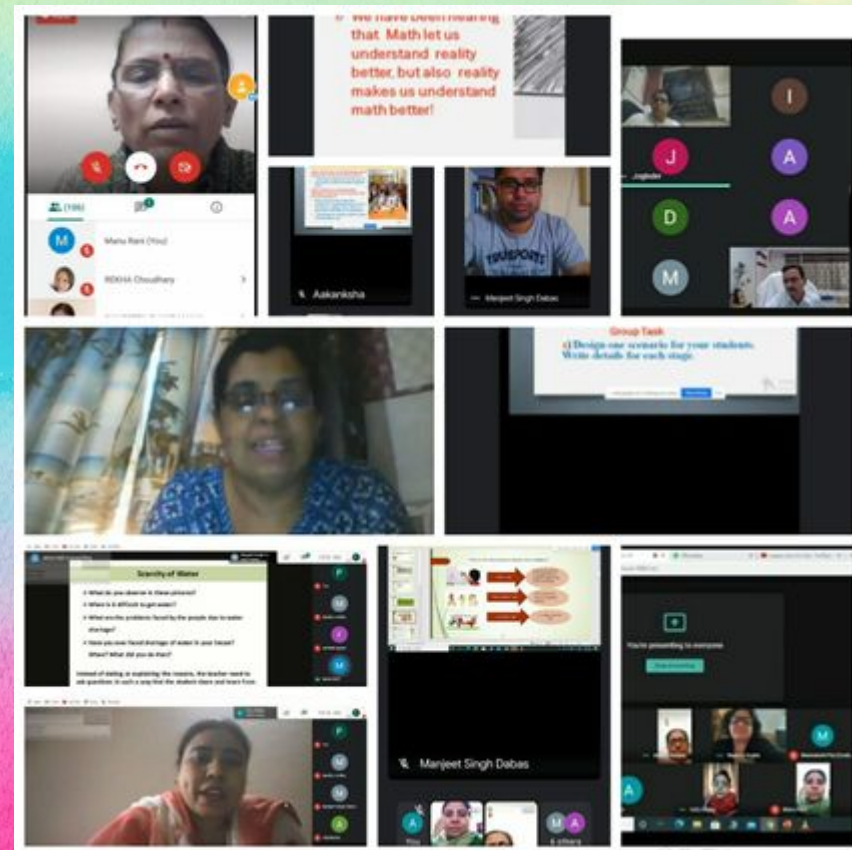

Mrs. Madhu Leekha

Dear students I trust that you are taking care of yourself and co-operating with your family well in this time of crisis .Do you know present teaching scenario is very different than what we had till your previous classes .you are confined to your homes but I am sure you are spending your time well amidst your family. Perhaps no one of us had ever realised that we will be facing pandemic such as covid-19, it will pose so much of uncertainty and change our lives so much. The school is striving hard to make the best possible efforts to inculcate the best in its students. and groom them to face the challenges of tomorrow I am confident enough that you

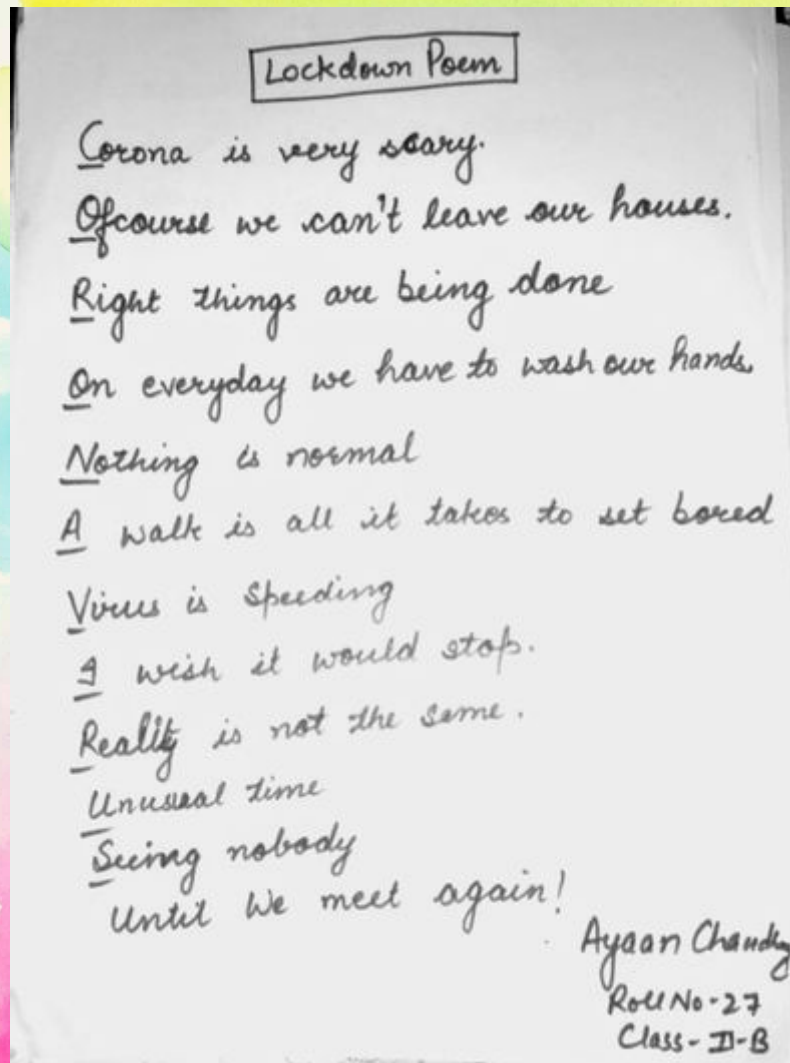

will  
make yourself stronger day by day

# Cub and Bulbul Activities.

Virtual Golden Arrow testing camp for cubs and bulbuls

A proud moment for our Vidyalaya KV Narela when two of our girl students, Deepika and Akshita respectively from class 4th and 5th got a chance to participate in virtual Golden Arrow testing camp which is the highest level certificate program for bulbuls .These girls were enrolled as they completed their 6 proficiency badges upto Chaturth Charan. The camp was organised for 3 days W.E.F. 23rd to 25 November 2020 many competitions and three tests were held during this camp our students participated with great enthusiasm and

got a good score in tests also .

I thank our Principal sir for his cooperation and motivation .

## Glimpses of The Camp
