Holiday Homework – Class 5A/B (Mathematics)

Dear Children,

Here are some fun and easy mathematics activities for you. Do them with joy and decorate your work with colours and drawings.

Activities:

Shape Hunt – Paste pictures of round, triangular, square, and rectangular objects from your home or surroundings and label them.

Shopping Fun – Write the price of 5 items from your home and calculate the total by addition and subtraction.

Geometry Drawing – Draw a triangle, square, rectangle, and circle with a scale and pencil. Colour them and write their names.

Math Poster – Make a colourful poster on the topic 'Math in Our Daily Life' (examples: clock, money, counting, measurement, etc.).

Tables Practice – Learn and write multiplication tables from 2 to 20 neatly in your notebook.

📌 Submit your holiday homework after the vacation.

Be neat, creative, and enjoy doing it!

Happy Holidays! ✿

TWAU – Class 5 Holiday Homework

Instructions:

Do the work neatly on A4 size sheets (where mentioned).

Use chart paper for the map activity.

Keep your work creative, colorful, and well-labeled.

1. Food Traditions – Navratra Puja

Ask your grandparents about the special food items prepared during Navratra Puja in their childhood.

Write down those dishes.

Note the differences between then and now.

2. Festival Food Thaali (Drawing Activity)

On an A4 sheet, draw and color a festival thaali.

Include at least 5 dishes.

Write the names of each dish neatly.

3. River Near Your Place

Ask your elders and write:

Name of the river nearest to your town/city/village.

How people use it (e.g., farming, drinking water, transport).

Any festival or ritual connected to that river.

4. Clean Rivers – Short Note

Write a few lines on how we can keep rivers clean during festivals.
(Example: avoid throwing plastic, use eco-friendly idols, immerse flowers in compost instead of rivers, etc.)

5. Map Work – Indian Rivers

On a chart paper, make a map of Indian rivers.

Label the important rivers clearly.

Practice locating them.
