## **TO WHOM IT MAY CONCERN**

### **STRUCTURAL STABILITY CERTIFICATE**

It is certified that the building construction under the work Kendriya Vidyalaya Rajouri at BSF Rajouri has been completed under the supervision of Jammu Division, CPWD, Satwari, Jammu.

The building are being maintained by KVS since these were handed over to school authorities. The undersigned has inspected the site on dated 11.08.2026. It is noticed that seepage/dampness have been observed at some places in staff Quarters and School Buildings which require immediate attention as it might badly affect the Structural health of the Building.

Visually, the building are appearing structurally safe and it is advised that the buildings should be maintained as per the CPWD norms.
