

PM SHRI KENDRIYA VIDYALAYA GOLE MARKET

COMPENSATION OF ACADEMIC LOSS PROGRAMME

- A bridge course was conducted for Class VI to identify learning gaps and implement necessary actions.
- The Tarunotsava program was organized to enhance new skills and address academic losses from the previous session.
- Slow bloomers were identified at the start of the session, and targeted remedial actions were taken.
- Remedial classes were arranged as needed.
- Topics with greater weightage or weak areas were revisited frequently with students.
- Teaching Learning Materials (TLMs) were developed using diverse pedagogies to ensure that every child achieves the learning outcomes.
