

PM SHRI KENDRIYA VIDYALAYA NO.2 AFS, JODHPUR

AUTUMN BREAK HOLIDAY HOMEWORK 2026-27

CLASS V

SUBJECT - ENGLISH

Name: _____ Class/Section: _____ Roll No.: _____

Instructions: Complete these creative tasks neatly. Use your own ideas, drawings and reusable materials.

Note:- Complete this homework on A4 size sheet.

1. Water Tank Model (What a Tank)

Make a 3D model or a drawing of a unique design of water tank using waste cardboard or a used box. Write three sentences about why water tanks are useful.

2. Save Every Drop Poster (What a Tank)

Create a colourful poster with the title “Save Water, Save Life”. Show at least five ways to save water at home or school and add your own slogan.

3. Traditional Game Scrapbook (Gilli Danda)

Make a one-page scrapbook about Gilli Danda. Draw the gilli and danda, list the materials needed, and write four simple steps explaining how the game is played.

4. Games Then and Now (Gilli Danda)

Talk to an elder about some traditional game they played in childhood. Write the games' name, how it was played and equipment's needed. Also write about the games you play today and equipment's required.

Be creative, work neatly, and enjoy your holidays!

शरदकालीन अवकाश गृहकार्य

विषय - हिंदी

➤ सभी कार्य A-4 साइज के पेपर पर साफ-सुथरी लिखावट में स्वयं पूर्ण करें

1. अपने मित्र को पत्र लिखकर बताइए कि आप शरदकालीन अवकाश का सदुपयोग कैसे कर रहे हैं।
2. “ईमानदारी का फल” शीर्षक पर एक रोचक एवं शिक्षाप्रद कहानी लिखिए।
3. “यदि मैं विद्यालय का प्रधानाचार्य/प्रधानाचार्या होता/होती” विषय पर 80–100 शब्दों में अनुच्छेद लिखिए।
4. दो मित्रों के बीच “मोबाइल का सीमित उपयोग और पढ़ने की आदत” विषय पर 6–8 संवाद लिखिए।
5. दूसरों की सहायता करते हुए किसी व्यक्ति का चित्र बनाइए तथा उसके आधार पर एक छोटी सी कहानी लिखिए।

CLASS V

SUBJECT - TWAU

General Instructions:

1. Do all the work neatly on A4 sheets.
2. Write answers in your own words.
3. Complete all activities with the help of your textbook and your surroundings.

A. Written Work

1. Islands of India:

Name any five islands of India and write one special feature of each.

2. Life under the Sea:

Name five living things found in the sea. Draw and label any two.

3. Protecting Nature:

Write five ways to protect marine life and keep our oceans clean.

B. Activity-Based Learning

1. My Island, My Imagination:

Draw or make a colourful picture of an island. Show its plants, animals, water bodies and human activities.

2. Save Marine Life Poster:

Make a poster on an A4 sheet with the slogan “Save Our Oceans, Save Our Future.”

3. Make a collage by pasting pictures depicting vibrant India.

Happy Holidays! Learn from your surroundings, explore nature and enjoy learning.

CLASS V

SUBJECT – MATHEMATICS – MATH MELA

Chapter 8: Weight and Capacity

Theme: Measure, Explore and Learn!

Do it in your Math Notebook

Activity 1: My Home Measurement Hunt

Activity Type: Observation and Measurement

Instructions: Find any 5 objects available at home and complete the following table.

S. No.	Name of the Object	Estimated Weight	Actual Weight	Unit
1	Rice packet	_____	_____	g/kg
2	Sugar packet	_____	_____	g/kg
3	School bag	_____	_____	g/kg
4	Potato	_____	_____	g/kg
5	Book	_____	_____	g/kg

Think and Answer:

1. Which object is the heaviest?
2. Which object is the lightest?

Learning Outcome: Students will learn to estimate and compare the weights of objects.

Activity 2: Conversion Challenge

Activity Type: Fun with Numbers

Convert the following measurements.

1. 3 kg = _____ g
2. 5 kg 250 g = _____ g
3. 2,500 g = _____ kg _____ g
4. 4 litres = _____ mL

5. 3 litres 500 mL = _____ mL
6. 2,750 mL = _____ litres _____ mL
7. 1 kg 500 g + 2 kg 250 g = _____
8. 3 litres + 750 mL = _____

Learning Outcome: Students will practice converting larger units into smaller units and vice versa.

Activity 3: Make a Weighing Machine

Activity Type: Art-Integrated, Hands-on Activity

Instructions: Make a simple weighing machine using waste materials available at home.

Materials Required:

- A hanger or a strong cardboard stick
- Two identical paper cups or small containers
- String or wool
- Tape
- A stand or support
- Small household objects to compare

Learning Outcome: Students will understand how a balance compares the weights of two objects.

Note: Take help from an adult while making the weighing machine.

Activity 4: Learn Tables 2 to 20

Learn multiplication tables from 2 to 20.

Remember: Mathematics is everywhere. Observe measure, calculate and enjoy learning!
