MESSAGE FROM THE PRINCIPAL'S DESK

“ Education is the most powerful weapon which you can use to change the world.

– Nelson Mandela ”

Ms. Dharitri Das
Principal

Dear Students and Parents,

I am thrilled to share our focus on primary activities this term, which aim to enhance our students' learning experiences.

These activities are designed to foster creativity, teamwork, and critical thinking, helping our young learners develop essential skills in a fun and engaging way.

We encourage all students to participate actively and explore new interests. Your support at home is invaluable in nurturing their curiosity and enthusiasm.

Thank you for your continued partnership in your child's education.

Warm regards
Ms . Dharitri Das
Principal

FROM THE VICE PRINCIPAL'S DESK

“ The beautiful *thing* about learning is that no one can take it away from you.
– B.B. King ”

Dear Students and Parents,

As Vice Principal, I want to emphasize the vital role primary activities play in education.

These experiences not only enhance academic skills but also foster creativity, social interaction, and critical thinking. Engaging in hands-on activities helps students develop a love for learning and builds confidence in their abilities.

We encourage all students to participate actively, as these activities lay the foundation for lifelong skills. Your support in this journey is crucial, and together, we can create a nurturing environment for our young learners.

Thank you for your commitment to our school community.

Sincerely,
Mr. Mahaboob Ali
Vice Principal

**Every Activity, Every Effort,
Every Child – A Step Towards Excellence.**

FROM THE HEADMISTRESS'S DESK

It gives me immense joy and pride to present this newsletter, capturing the **vibrant journey and holistic progress of our young learners from April to June.**

The beginning of the session has been filled with joyful opportunities for our children to learn, explore, create, participate, and discover their potential beyond the classroom.

Through a rich blend of **academic, co-curricular, creative, experiential,** and **collaborative experiences,** our students have continued to develop confidence, curiosity, creativity, communication, teamwork, and essential life skills. This newsletter is a glimpse of their enthusiasm, participation, and growth.

I extend my heartfelt gratitude to our **Principal Ma'am and Vice Principal Sir** for their constant guidance and cooperation, and to my dedicated teachers for their creativity, commitment, and tireless efforts. I also deeply appreciate the continued support and encouragement of our parents.

Together, we remain committed to nurturing **happy, confident, responsible, and well-rounded individuals,** giving every child the opportunity to learn, grow, and shine.

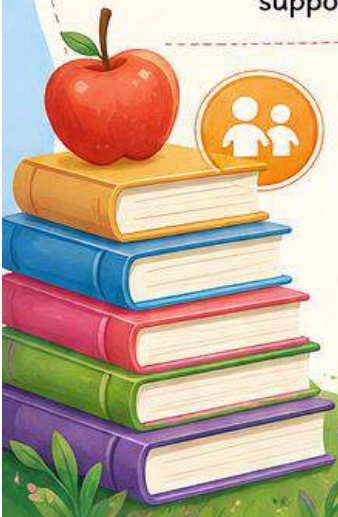

“Every child is a **different kind** of flower, and all together, they make this world a **beautiful** garden.”

The Power of CO-CURRICULAR ACTIVITIES

Learning Beyond the Classroom

At KVS, we believe in the all-round development of every child. Co-curricular activities play a vital role in shaping confident, creative, responsible and happy individuals.

WHY DO WE CONDUCT CO-CURRICULAR ACTIVITIES?

- ♥ To ensure holistic development of students.
- ♥ To provide opportunities beyond academics.
- ♥ To explore and nurture hidden talents and interests.
- ♥ To develop life skills, values and positive attitude.
- ♥ To build confidence, teamwork and leadership qualities.
- ♥ To make learning joyful, meaningful and memorable.

HOW ARE THESE ACTIVITIES IMPORTANT FOR STUDENTS?

- ✓ Help in discovering their strengths and passions.
- ✓ Improve communication and expressions skills.
- ✓ Develop critical thinking and problem-solving abilities.
- ✓ Encourage creativity and imagination.
- ✓ Teach values like respect, empathy, discipline and teamwork.
- ✓ Prepare students to face real-life challenges with confidence.

HOW DO THEY ENCOURAGE PARTICIPATION?

- ✓ Provide a platform where every child feels included and valued.
- ✓ Encourage students to try new things without fear of failure.
- ✓ Motivate through appreciation, recognition and opportunities.
- ✓ Make learning interactive, fun and student-friendly.
- ✓ Help students build peer connections and a sense of belonging.

HOW DO THEY HELP IN REMOVING HESITATION?

- ✓ Give students a safe space to speak, act and express.
- ✓ Regular participation builds self-confidence.
- ✓ Stage exposure reduces fear and improves comfort level.
- ✓ Students learn to communicate and present their thoughts fearlessly.
- ✓ Gradually, they overcome shyness and develop a positive personality.

IMPORTANT IN THE STUDENT'S JOURNEY

- ★ Builds a strong foundation for future success.
- ★ Helps in personality development and character building.
- ★ Enhances focus, discipline and time-management.
- ★ Encourages a balanced lifestyle – studies with activities.
- ★ Creates beautiful memories and joyful experiences.
- ★ Shapes responsible and confident citizens of tomorrow.

SERIAL ACTIVITIES CONDUCTED IN KVS
