PM SHRI Kendriya Vidyalaya Ordnance Factory

Reaching for the Stars: Celebrating National Space Day

“In exploring space, we find not just new worlds, but new ways of thinking and new possibilities for the future.” – Unknown

On August 23, 2024, **PM SHRI Kendriya Vidyalaya Ordnance Factory, Chanda**, marked **National Space Day** with vibrant enthusiasm and intellectual curiosity. The morning assembly was highlighted by several remarkable segments both in the primary and in the secondary.

PRIMARY (ZP SCHOOL)

Supriya Bharti from Class V-C began with a moving poem about the **Chandrayaan III** mission, eloquently celebrating India’s strides in space exploration. Her heartfelt verses resonated with the spirit of innovation and pride in our scientific achievements. This was followed by an engaging quiz session led by **Abhishri Pankaj Kumar from Class V-A**. The quiz spanned various topics, from the mysteries of planets to the workings of India’s space missions and ISRO’s role. The students actively participated, demonstrating their enthusiasm and growing knowledge in space science. Additionally, a stunning piece of **artwork** was displayed, created by students, which depicted the **Solar system** and **Chandrayaan 3**. This colorful and detailed drawing brought to life the vastness of space and the significance of our space missions, adding a visual touch to the day’s celebrations.

The event took a deeper turn with an inspiring storytelling session by **Mr. Ajay Singh**, a primary teacher at our Vidyalaya. Mr. Singh’s narrative journey through India’s space exploration history captivated the audience, offering insights into the challenges and successes of ISRO’s missions. He also highlighted potential career opportunities in space science, motivating students to envision their future roles in this exciting field. His storytelling not only educated but also encouraged students to dream big and explore the vast possibilities within the realm of scientific careers.

As the celebration concluded, **Mr. Dinesh Kurhade**, the **Headmaster** of our Vidyalaya, delivered a stirring address. He encouraged students to embrace curiosity and strive for excellence, urging them to reach new heights in their academic and personal lives. His words served as a powerful reminder of the boundless potential that lies in exploring the unknown and pushing the limits of human knowledge. National Space Day at our school was a memorable celebration that emphasized the endless possibilities awaiting those who dare to dream and explore the vast frontier of space.

The event started with an inspiring session by **Mr. Vikash Kumar Yadav**, PGT Computer Science at our Vidyalaya. He described about the Chandrayaan III mission through the space craft made by the students of 11th class. He also highlighted that Chandrayaan-3 is a follow-on mission to Chandrayaan-2 to demonstrate end-to-end capability in safe landing and roving on the lunar surface. His description not only educated but also encouraged students to dream big and explore the vast possibilities within the realm of scientific careers.

This was followed by an engaging quiz session led by **the students of class 11th**. The quiz spanned various topics, from the mysteries of planets to the workings of India's space missions and ISRO's role. The students actively participated, demonstrating their enthusiasm and growing knowledge in space science. Additionally, a stunning piece of **artwork** was displayed, created by students, which depicted the **Solar system** and **Chandrayaan 3**. This colorful and detailed drawing brought to life the vastness of space and the significance of our space missions, adding a visual touch to the day's celebrations.

Apart from this, **Mr. Anil Kumar**, TGT Arts conducted Drawing and Painting Competition. **Mr. Naveen**, Librarian popularize the grade-specific special Modules on Chandrayaan which have been translated into 13 regional languages by sending it to the class whatsapp group and encourages the parents and the students to read and enhance their knowledge. **Mr. Anil Sathawane**, TGT Social Science,

conducted a seminar and share the video on Chandrayaan 3 to explore the knowledge among the students. **Mr. Suraj , Computer Instructor** organized a Online Quiz by sharing the link in the class whatsapp group. Students and parents participated enthusiastically.

As the celebration concluded, **Smt. Swati Vishwakarma**, the **Principal** of our Vidyalaya, delivered a stimulating address. She motivated students to embrace curiosity and strive for excellence, urging them to reach new heights in their academic and personal lives.
