

# Labs – Physics/Chemistry/Biology

## **Physics Lab report**

---

Sufficient amount of lab equipment's related to experiment & activities are available for students of XI & XII.

Interactive board is also available. List of practical & list of completed experiments displayed on board. About 20 scientist photos has been displayed on walls of the lab. As per time table, 4 practical periods given to each student in a week. Each student perform an experiment with single equipment at a time.

## **Chemistry Lab:**

All equipment's are available in chemistry lab

## **Biology Lab:**

All equipment's are available in Biology lab
