

PM SHRI KENDRIYA VIDYALAYA SECTOR 5, DWARKA (SHIFT-I)
TIME TABLE- REMEDIAL CLASS
W.E.F: _26/12/2023 TO 4/1/2024)

STRATEGIES FOR CALP

1.Measuring the “Gaps”

Adjusting instruction to accommodate children’s learning requirements and focusing on important foundational skills is required.

2. Teaching core skills using “Bridge” content

Bridging is a well-intended strategy of teaching old and new material that focuses on regular review of specific topics.

“Bridge” content, a remedial step, is a different way of dealing with lost learning and ensuring that all students have a strong foundation for future learning.

3. Emphasising content that are prerequisites to future learning

4. Creating a different schedule, reshaping curriculum

5. Being flexible

Teacher should be available to students to clear his / her doubts in the classroom and after school hours.
