

Saturday is organized as Funday आनंदवार for students of primary section and a number of programmes are conducted in Kendriya Vidyalayas.

KVS has approved introduction of fun day in primary section on every Saturday. The objective of funday is to nurture children at the young age and bring out the hidden talent in different fields.

As per KVS guidelines every Saturday is conserved as funday. The time table for fun day activities is prepared in block periods. During these block periods various fun day activities are planned for classes 1st to 5th. The Saturday funday programme are also planned according to the importance of the particular day.

As the saying goes, “A fun filled day is the fulfilled day ever.”

The school conducts Funday on each Saturday which in many aspects is different from other days of the week. Our sole motive to conduct Funday is to provide students a new outlook towards life and learning. Allowing students to enjoy a day of fun activities to break up the routine of school work is healthy and makes school more enjoyable for students. On this day various types of activities like poem recitation, songs, rhymes, dance, drawing, music, art and craft, games, sports and important day celebrations are conducted to nourish the innate talents of the young minds of the primary students with fun and joy. Such activities make the students mentally sound and motivated towards learning. It aligns with NEP 2020 which envisages that learning should be holistic, integrated, enjoyable and engaging.
