EDUCATIONAL VISIT REPORT

“RAJGHAT AND NATIONAL GANDHI MUSEUM”

Class	4C & 4D
Place of Visit	Rajghat and National Gandhi Museum, New Delhi
Theme	Life, Ideals and Contribution of Mahatma Gandhi

1. Objective of the Visit

To introduce students to the life, thoughts, ideals, and contribution of Mahatma Gandhi to the freedom struggle.

2. Details of the Visit

An educational visit to Rajghat and the National Gandhi Museum was organized for the students. The objective of this visit was to connect the historical and moral concepts learned in the classroom with practical experiences.

- 1. Visit to Rajghat:** The students first visited Rajghat. There, they paid tribute at the memorial of Mahatma Gandhi and learned about his life and contribution to the country. The students were introduced to Gandhiji's ideas of truth, non-violence, cleanliness, simplicity, and patriotism.
- 2. Visit to the National Gandhi Museum:** After this, the students visited the National Gandhi Museum. Through the photographs, objects, documents, and other historical materials displayed in the museum, the students learned about important aspects of Gandhiji's life and the freedom movement.
- 3. Learning and Values:** The visit developed awareness among the students about patriotism, discipline, cleanliness, non-violence, truth, and moral values. The students participated enthusiastically and curiously in various activities and shared their experiences.

3. Conclusion

The educational visit to Rajghat and the National Gandhi Museum was an informative, inspiring, and memorable experience for the students. Through this visit, the students experienced history directly rather than merely reading about it in books. They were also inspired to adopt Gandhiji's ideals in their own lives.
