World Yoga Day

Newspaper Reading
TV C

The image is a collage of several photographs showing students in a classroom setting, all focused on reading newspapers. The students are wearing school uniforms in yellow, green, and blue. They are seated at wooden desks, and the classroom has a bulletin board with colorful decorations in the background. A large red diamond shape is superimposed over the collage, and the text 'Newspaper Reading TV C' is written in a stylized font across the center of the diamond.
