

A decorative border of various flowers and leaves in blue line art surrounds the text. The flowers include roses, daisies, and tulips, with some leaves and stems interspersed.

REPORT OF FLN PROGRAM

In

KV BSF KISHANGANJ

At PM Shri KV BSF Kishanganj, the FLN (Foundational Literacy and Numeracy) program is a pivotal initiative aimed at enhancing primary education. The school focuses on developing foundational skills in literacy and numeracy for students in early grades, ensuring they acquire essential skills for future academic success.

Under the FLN program, the school has implemented a range of strategies. Teachers use interactive and student-centered teaching methods to make learning engaging. This includes incorporating story-based learning and hands-on activities to teach reading and arithmetic concepts. The curriculum is designed to be flexible, allowing for personalized learning experiences that address the diverse needs of students.

Additionally, the school emphasizes regular assessments to monitor student progress and identify areas needing improvement.

Tailored interventions are provided to support students who may be

struggling, ensuring that all students progress at a suitable pace.

Parental involvement is also encouraged, with workshops and meetings designed to keep parents informed and involved in their children's learning processes. Overall, the FLN program at PM Shri KV BSF Kishanganj aims to build a strong educational foundation for primary students, preparing them for future academic challenges and lifelong learning.
