## THOUGHT FOR THE MONTH

“Every citizen of India must remember that he is an Indian and he has every right in this country but with certain duties.”  
- Sardar Vallabhbhai Patel

## PRESIDENT'S MESSAGE

The month of August remains historical in view of the Quit India Movement or Bharat Chodo Andolan which was launched on 9th August 1942. Despite the suppression of the agitation by the British by arresting lakhs of people, Indians were firm and united to express their demand for complete independence for India. This type of non-violent andolan launched by Mahatma Gandhi enhanced public morale and anti-British sentiment. Coming-up generations, particularly the youth should understand that they are proud to be the citizens of India. They should preserve this freedom by being united in spite of diversity and work selfless for the Nation. Our Scout/Guide Promise is well-framed ".....to do my duty to God and my Country" which every boy or girl from the age of five repeats as a member of this great movement to keep-up the patriotic fervor.

After getting Independence in 1947 our responsibility to rebuild modern India gained momentum to celebrate the 77th Independence Day of our great nation. Our activities for celebrating the National Festival should inspire patriotic fervor among the youth and masses through engaging activities. Let our youth be motivated towards participation in nation-wide quiz competitions, reel-making contests, patriotic dress contests, painting contests, and essay contests to share their personal expressions of patriotism. These initiatives are designed by the Government of India to instill a deeper appreciation for India's rich heritage, commemorate the sacrifices of freedom fighters, and unite citizens in celebrating the spirit of independence.

The third part of Scout Guide Law speaks about friendship and universal brotherhood or sisterhood. We consider the members of the movement as one family establishing a bond between us. Rakhi or Raksha Bandhan is a joyous festival to honour this bond between brothers and sisters as it brings together people of all genders, religions, and ethnic backgrounds to celebrate various forms of platonic love.

I am happy to hear that our scouts and guides are deeply working for keeping our planet safe.

With Scout Guide greetings,

DR. ANIL KUMAR JAIN  
National President  
The Bharat Scouts and Guides

अगस्त का महीना ऐतिहासिक रहा है क्योंकि 9 अगस्त 1942 को भारत छोड़ो आंदोलन की शुरुआत हुई थी। ब्रिटिश सरकार द्वारा इस आंदोलन को दबाने के लिए लाखों लोगों को गिरफ्तार करने के बावजूद भारतीय अपनी पूर्ण स्वतंत्रता की मांग के लिए दृढ़ एवं एकजुट थे। महात्मा गांधी द्वारा शुरू किए गए इस प्रकार के अहिंसात्मक आंदोलन ने जनता का मनोबल बढ़ाया एवं ब्रिटिश विरोधी भावना को प्रबल किया। आने वाली पीढ़ियों, विशेष रूप से युवाओं को यह समझना चाहिए कि उन्हें भारत का नागरिक होने पर गर्व है। उन्हें इस स्वतंत्रता को संरक्षित रखना चाहिए और विविधता के बावजूद एकजुट रहकर देश के लिए निःस्वार्थ कार्य करना चाहिए। हमारे स्काउट/गाइड प्रतिज्ञा में बहुत अच्छे से कहा गया है '..... ईश्वर और अपने देश के प्रति अपने कर्तव्य का पालन करूंगा / करूंगी' जिसे पांच वर्ष की उम्र को हर लड़का या लड़की देशभक्ति के उत्साह को बनाए रखने के लिए इस महान आंदोलन के सदस्य के रूप में दोहराता है।

1947 में स्वतंत्रता प्राप्त करने के बाद, आधुनिक भारत के पुनर्निर्माण की हमारी जिम्मेदारी बढ़ी और अब हम अपने महान राष्ट्र का 77वां स्वतंत्रता दिवस मनाने की तैयारी कर रहे हैं। राष्ट्रीय पर्व के उत्सव के लिए हमारी गतिविधियों को युवाओं और जनता में देशभक्ति की भावना को प्रेरित करना चाहिए। हमारे युवाओं को राष्ट्रव्यापी प्रश्नोत्तरी प्रतियोगिताओं, रील बनाने की प्रतियोगिताओं, देशभक्ति पोशाक प्रतियोगिताओं, पेंटिंग प्रतियोगिताओं और निबंध प्रतियोगिताओं में भाग लेने के लिए प्रेरित करना चाहिए जिससे वे अपनी व्यक्तिगत देशभक्ति की भावनाओं को साझा कर सकें। भारत सरकार द्वारा इन प्रयासों को भारत की समृद्ध विरासत के प्रति गहरी सराहना पैदा करने, स्वतंत्रता सेनानियों के बलिदानों को स्मरण करने एवं स्वतंत्रता की भावना का जश्न मनाने के लिए नागरिकों को एकजुट करने के उद्देश्य से तैयार किया गया है।

स्काउट गाइड के तीसरे नियम में मित्रता एवं सार्वभौमिक भाईचारे की बात की गई है। हम आंदोलन के सदस्यों को हमारे बीच एक बंधन स्थापित करने वाला एक परिवार मानते हैं। रक्षाबंधन या राखी बहनों एवं भाइयों के बीच इस बंधन का सम्मान करने के लिए एक खुशी का त्योहार है, यह विभिन्न लिंगों, धर्मों और जातीय पृष्ठभूमियों के लोगों को आदर्श प्रेम का उत्सव मनाने के लिए एकजुट करता है।

मुझे यह जानकर प्रसन्नता हो रही है कि हमारे स्काउट्स एवं गाइड्स हमारे ग्रह को सुरक्षित रखने के लिए गंभीरता से कार्य कर रहे हैं।

स्काउट गाइड अभिवादन के साथ।

## PERSONALLY SPEAKING

The Ratha Yatra of Puri is considered the oldest and largest Hindu chariot festival celebrated annually and very recently it was concluded at the city of Puri, in the state of Odisha. I appreciate the Hundreds of our scouts and guides, rovers and rangers of Odisha & nearby states state for having rendered round the clock services to the pilgrims that thronged the festival.

I appreciate the services of the railway members who immediately rushed to the scene of the recent rail accident. They provided food packets, medical assistance, transportation, and support to the administration, demonstrating commendable dedication and efficiency.

It is good to learn that many states across the country conducted Capacity Building workshops. Our aim of organizing such workshops should be to improve the performance of the movement as a whole with focus on organizational development and enhancing the individual competencies such as Learning and development of capabilities, skills and know-how, innovative training and support to suit the present trends, Net work development and Publicity. I await to see good results through these workshops.

The Bharat Scouts and Guides has been working under Youth-Led Action on Climate Change Project to create awareness about bio diversity, environmental protection, tree plantation etc. Climate Change Education is part of Education for Sustainable Development. Sustainable development cannot be achieved through political agreements, financial incentives or technological solutions alone. It requires changes in how we think and act. Sustainable development is to be integrated more actively into education to make it action-oriented. I expect all the states to work together under YLACC project for a better visibility of the project.

This is the season to expect floods, landslides. The youth of our movement should be skilled to help the National Disaster Response Force in case of such a crisis. I advise all our rovers and rangers to get trained in skills for the rescue of victims. Those who are given HAM Radio training can make use of their communication system in the absence of internet.

With Scout Guide greetings

DR. K.K. KHANDELWAL, IAS (RETD.)  
Chief National Commissioner  
The Bharat Scouts and Guides

पुरी की रथ यात्रा को सबसे पुराना और सबसे शीर्ष हिंदू रथ उत्सव माना जाता है, जिसे प्रतिवर्ष मनाया जाता है, और हाल ही में यह ओडिशा राज्य के पुरी शहर में संपन्न हुआ। मैं ओडिशा और निकटवर्ती राज्यों के सैकड़ों स्काउट्स और गाइड्स, रोवर्स और रेंजर्स की सराहना करता हूँ जिन्होंने त्योहार में उमड़े तीर्थयात्रियों को चौबीसों घंटे सेवाएं प्रदान कीं।

मैं रेलवे के उन सदस्यों की सेवाओं की सराहना करता हूँ जिन्होंने हाल ही में हुई रेल दुर्घटना स्थल पर तुरंत पहुंचकर खाद्य पैकेट, चिकित्सा सहायता, परिवहन और प्रशासन को सहायता प्रदान कर सराहनीय समर्पण और दक्षता का परिचय दिया।

यह जानकर प्रसन्नता हुई कि देश भर के कई राज्यों ने क्षमता निर्माण कार्यशालाएं आयोजित कीं। इस तरह की कार्यशालाओं के आयोजन का हमारा उद्देश्य संगठनात्मक विकास पर ध्यान केंद्रित करते हुए समग्र रूप से आंदोलन के प्रदर्शन में सुधार करना और व्यक्तिगत दक्षताओं को बढ़ाना होना चाहिए जैसे कि सीखने और क्षमताओं का विकास, कौशल और जानकारी, नवीन प्रशिक्षण और वर्तमान रुझानों के अनुरूप समर्थन, परस्पर जोड़ने का विकास और प्रचार। मैं इन कार्यशालाओं के माध्यम से अच्छे परिणाम देखने की प्रतीक्षा कर रहा हूँ।

भारत स्काउट एवं गाइड जैव विविधता, पर्यावरण संरक्षण, वृक्षारोपण आदि के बारे में जागरूकता पैदा करने के लिए जलवायु परिवर्तन परियोजना पर युवा नेतृत्व वाली कार्रवाई के तहत कार्य कर रहे हैं। जलवायु परिवर्तन शिक्षा सतत विकास के लिए शिक्षा का हिस्सा है। सतत विकास केवल राजनीतिक समझौतों, वित्तीय प्रोत्साहनों या तकनीकी समाधानों के माध्यम से हासिल नहीं किया जा सकता है। इसके लिए यह आवश्यक है कि हम सोचने और कार्य करने के तरीके में बदलाव करें। सतत विकास को कार्य-उन्मुख बनाने के लिए इसे शिक्षा में अधिक सक्रिय रूप से एकीकृत किया जाना चाहिए। मुझे उम्मीद है परियोजना की बेहतर दृश्यता के लिए सभी राज्य वाय.एल.ए.सी.सी. परियोजना के तहत मिलकर कार्य करेंगे।

यह बाढ़, भूस्खलन की संभावनाओं का मौसम है। हमारे आंदोलन के युवाओं को ऐसे संकट की स्थिति में राष्ट्रीय आपदा मोचन बल की मदद करने के लिए कुशल होना चाहिए। मैं सभी रोवर्स और रेंजर्स को पीड़ितों के बचाव के लिए कौशल में प्रशिक्षित होने की सलाह देता हूँ। जिन लोगों को हैम रेडियो प्रशिक्षण दिया गया है वे इंटरनेट की अनुपस्थिति में अपने संचार प्रणाली का उपयोग कर सकते हैं।

स्काउट गाइड अभिवादन के साथ।

## FROM EDITOR'S DESK

Dear Members of the Bharat Scouts and Guides,

I hope you all are in good health and high spirits. July marks a special time for renewal and growth, as it brings more opportunities for us to come together and make a meaningful impact.

The monsoon is a wonderful time for nature, and it's the perfect season for us to engage in eco-friendly activities. We are excited to launch the Seed Ball Making Campaign. This initiative is a simple yet powerful way to contribute to reforestation and greening our surroundings. Imagine if all 6.3 million members of BSG each make at least one seed ball and participate in the initiative—how many trees will be planted!

On the initiative to collaborate on climate change, we are pleased to announce a partnership with Paryavaran Sanrakshan Gatividhi, a renowned organization dedicated to environmental protection. Together, we will undertake various projects aimed at conserving our natural resources and promoting eco-friendly practices. As part of this collaboration, we will be upgrading a part of our National Training Centre into a theme park, allowing our members to connect more closely with nature and the ecosystem of Pachmarhi.

The official logo of 75th Celebration of the Bharat Scouts and Guides was launched in the National Executive committee meeting held end July along with many new initiatives. Together, we will not only celebrate our past but also build a brighter and more sustainable future.

Let's continue to uphold the values and mission of the Bharat Scouts and Guides with renewed enthusiasm.

Warm greetings.

भारत स्काउट्स एवं गाइड्स के प्रिय सदस्यों,

मुझे आशा है कि आप सभी अच्छे स्वास्थ्य और उत्साह में होंगे। जुलाई माह नवीनीकरण और विकास के लिए एक विशेष समय है, क्योंकि यह हमें एक साथ आने और सार्थक प्रभाव डालने के लिए अधिक अवसर प्रदान करता है।

मानसून प्रकृति के लिए एक अद्भुत समय है, और यह हमारे लिए पर्यावरण-अनुकूल गतिविधियों में शामिल होने का एकदम सही मौसम है। हम सीड बॉल बनाने के अभियान को शुरू करने के लिए उत्साहित हैं। यह पहल वनीकरण और हमारे आस-पास के वातावरण को हरा-भरा बनाने में योगदान देने का एक सरल लेकिन शक्तिशाली तरीका है। कल्पना कीजिए कि अगर भारत स्काउट्स एवं गाइड्स के सभी 6.3 मिलियन सदस्य कम से कम एक सीड बॉल बनाएं और इस पहल में भाग लें – तो कितने पेड़ लगाए जाएंगे!

जलवायु परिवर्तन पर सहयोग करने की पहल पर, हमें पर्यावरण संरक्षण गतिविधि के साथ साझेदारी की घोषणा करते हुए खुशी हो रही है, जो पर्यावरण संरक्षण के लिए समर्पित एक प्रसिद्ध संगठन है। साथ मिलकर, हम अपने प्राकृतिक संसाधनों के संरक्षण और पर्यावरण के अनुकूल प्रथाओं को बढ़ावा देने के उद्देश्य से विभिन्न परियोजनाएँ शुरू करेंगे। इस सहयोग के हिस्से के रूप में, हम अपने राष्ट्रीय प्रशिक्षण केंद्र के एक हिस्से को थीम पार्क में अपग्रेड करेंगे, जिससे हमारे सदस्य प्रकृति और पचमढ़ी के पारिस्थितिकी तंत्र से और अधिक निकटता के साथ जुड़ सकेंगे।

जुलाई माह के अंत में आयोजित राष्ट्रीय कार्यकारी समिति की बैठक में भारत स्काउट्स एवं गाइड्स के 75वें समारोह का आधिकारिक लोगो लॉन्च किया गया, साथ ही कई नई पहल भी की गईं। हम सब मिलकर न केवल अपने अतीत का जश्न मनाएंगे, बल्कि एक उज्ज्वल और अधिक टिकाऊ भविष्य का निर्माण भी करेंगे।

आइए, हम नए उत्साह के साथ भारत स्काउट्स एवं गाइड्स के मूल्यों और मिशन को कायम रखें।

सप्रेम अभिवादन।

## TRAINER'S CORNER

### MARKETING SCOUTING AND ITS PROMOTION

In the early years, till 1970, curricular, extra-curricular activities were limited. So Scouting was a default option for schools. Now many options are available in schools and colleges. Similar organisations are also coming up. So, marketing our product Scouting is essential.

A marketing mix refers to a framework that uses the four Ps of Product, Price, Placement and Promotion. Market opportunities for the Bharat Scouts and Guides is based on activities to the youth.

**Product:** Though our ultimate objective or end product is producing efficient citizens, the buyers, say, parents are interested in a different objective or product. They want to know the popularity of our brand, benefits from our activities to their wards, projection of our brand in the community, the appearance of their wards in uniform, rating our values by the parents and community and how BSG is doing differently than other competitors and so on. So once we make better value of our activities, we can market our product.

**Price of our product:** Nothing comes for free. Anything given free of cost is inferior. So scouting should be given for a price. Let us remember, even our founder collected fee from all the 21 boys who attended the experimental camp in 1907. So in principle, price should be there. But we have to consider whether it is affordable to the youth (parents), quantum of fee and the nature of fee collected by the other organisations (competitors), systematic implementation and quality of our activities, fixation of a competitive price as compared to the other youth organisations.

Our youth compare our activities with the fee they pay and also our present day youth are brand-oriented. So our branding should be better than other similar organisations. We should also bear in mind that all the youth do not come from same financial background. Then we have to explore the ways to subsidize the fee, may be through sponsorship, grants etc.

Place where scouting product can be marketed: For promoting Scouting, we have to identify places where parents and youth gather in large number, such as educational institutions, community programmes like melas, religious/worship places and other social events. In such places, we promote scouting, wearing our uniform correctly and properly. We can also promote scouting/guiding through community oriented events and programmes like mass tree plantation in public places, Swatch Bharat activities, awareness programmes like plastic-free zones, conservation, promotion of solar energy etc.

Our buyers i.e. the parents look for scouting when our members do service, particularly during the natural calamities like floods, earthquakes and at the time of accidents like land slidings, train/bus accidents. We can access the scouting/guiding through the managements of educational institutions up to University level, officials of education department, open units etc. The sales force for our product is our members from Cub/Bulbul level to adult leaders of all levels. As the market is competitive, we should also study what our competitors are doing to expand their product and we should learn from their experiences.

### How to Promote?

We should adopt the Blue Ocean Strategy i.e. tap the sources where scouting/guiding has not reached so far. Wide coverage of our activities should be made through news channels, media, billboards and through advertisements. The best time to promote scouting is after some mega events like national integration camps, Cub/Bulbul Utsavs, State/District rallies, reopening time of schools and colleges, youth activities in religious organisations with the motive of Service etc. (In early years, UK Scouting depended much on Churches. In India too, Ramakrishna Mission,

## TRAINER'S CORNER

Gayatri Pariwar, Shanti Kunj, Haridwar promoted Scouting seeing its spiritual and service-oriented activities.) It is not out of place to mention that recently Jamiyat Youth Club, Don Bosco Schools, Schools with Special Needs and Paryavaran Sanrakshan Samiti have joined BSG with the sole motive of service and promotion of youth activities. It is also to be observed how our competitors do their promotions and how does that influence our choice of promotional activity. As trainers and as adult leaders, we should find ways and means to enhance our visibility to influence more youth to Scouting/Guiding. Then our product will have good marketing.
