

NIPUN Lakshay

NIPUN (National Initiative for Proficiency in Reading with Understanding and Numeracy) Lakshay is a key program implemented at Kendriya Vidyalaya Surda to ensure foundational literacy and numeracy skills among students from an early stage. The program aligns with the goals of NEP 2020 and aims to make every child proficient in reading, writing, and arithmetic by the end of Class III. Various activities and teaching strategies are employed to promote a joyful learning environment, focusing on interactive methods to help students grasp basic concepts effectively. Continuous assessment and personalized learning plans are part of the initiative to track student progress and ensure that no child is left behind in achieving foundational literacy and numeracy goals.
