Swachhata Pakhwada 2026 — Message

“Cleanliness is not merely a campaign; it is our responsibility and a part of our values.”

“A clean school, healthy students, and a strong India—this is our commitment.”

“Let us make cleanliness a habit and actively contribute to building a Clean India.”

“Always dispose of waste in the dustbin and spread the message of cleanliness to every home.”

“A clean campus, a green campus—this is the collective responsibility of all of us.”

“One step towards cleanliness is one step towards a healthier, more beautiful, and stronger India.”

On the occasion of Swachhata Pakhwada 2026, let us pledge to keep our school, home, and surrounding areas clean and contribute to the building of a Clean India.

Pledge of the Kendriya Vidyalaya Surda Family

“The Kendriya Vidyalaya Surda family is fully committed to making cleanliness an integral part of daily life, actively participating in the creation of a clean and healthy school and a clean society, and contributing towards the realization of the dream of a Clean India.”
